Report on the Working of the Mysore Companies Regulation, No. III of 1895, during the year 1901-02, submitted by the Registrar of Joint Stock Companies in Mysore.

No. 2542—J. 217, DATED BANGALORE, 21ST AUGUST 1902.

ORDER THEREON.—Recorded.

2. There were 132 companies at work at the close of the previous year. One company was newly registered, while two of the existing companies were voluntarily wound up during the year under review. There remained in all 131 companies at work on the 31st March 1902, of which 63 or 48·09 per cent were Agricultural Banks or Companies limited by guarantee and possessing no paid-up capital.

3. Owing to the closing of the 2 companies referred to above and to the withdrawal of shares by members of a large number of other companies, the aggregate nominal and paid-up capital decreased during the year from Rs. 37,10,100 and Rs. 18,42,939 to Rs. 36,60,100 and Rs. 17,43,726 respectively.

4. Three hundred and sixty-six documents were filed as against 411 in the year previous, and the fees realized amounted to Rs. 242-4-0 or Rs. 149 less than in the previous year.

5. The report shows that there is little or no activity in this class of business, and that most of the paying companies are engaged in money lending on a small scale individually.

6. Government observe that the Registrar does not seem to have inspected any of the companies during the year under review.

ORDER THEREON.—A statement showing the expenditure incurred on the works which the Work Inspectors were required to supervise for the three years ending 1900-01 in each Local Fund Circle and the cost of supervision charges thereon is appended. This shows that the supervision charges in the Bangalore Local Fund Circle have exceeded the limit of 10 per cent in each year, while the excess in the Kolar, Hassan, Shimoga and Kadur Local Fund Circles is observable only for the year 1900-01. It is abnormally high in the marginally noted Circles. 2. *I Octroi.*—The increases and decreases in the estimate under this head are based upon the actuals of 1900-01, and the probable collections for 1901-02. The estimates are passed except the new estimate of Rs. 80 entered in the budget of Channapatna under "Sheep and Goats" which will tentatively be retained, pending the submission of a separate reference in regard to the introduction of Octroi on sheep and goats in that town and the orders of Government thereon. A sum of Rs. 675 will be inserted in the budget of Dodballapur as the anticipated revenue from Octroi on cocoanuts, fresh and dry, and tobacco sanctioned in Proceedings No. 16218-9—L. F. 129-97, dated 3rd April 1902.

3. *II Tax on houses.*—The decrease under this head in the budget of Closepet and the increase in Anekal are stated to be based on the actuals of 1900-01 but no explanation is furnished for the increase in the budget of Kankanhalli nor is it supported by actuals. The estimate will be reduced from Rs. 1,000 to Rs. 900, the sanctioned estimate for 1901-02.

4. *VII Mohatarfa.*—The increased estimate of Rs. 338 under "Cart tax" in Hoskote has neither been explained nor is it justified by actuals. The estimate will be reduced to Rs. 246 which is the average collection of the two years 1900-01 and 1901-02. The remaining estimates under this head, which are supported by the actuals are allowed to stand.

5. *X Miscellaneous* (a) *sale of houses and lands.*—The absence of estimate under this head against Rs. 1,500 sanctioned for 1901-02 in Tyamagondlu which has not been explained is probably due to no sites being available for sale in the extension of the town. The estimate is retained.

A sum of Rs. 50 is estimated from "Lime Kilns" in the Channapatna Municipality. The President is requested to report whether the lime kilns are situate within Municipal limits, and if so, the number of kilns, the rate of duty levied on each and the authority under which the duty is levied, should be stated. Pending information the estimate will not be disturbed. The sum of Rs. 17 entered newly in the budget of Tyamagondlu under "Land revenue" will be struck out as this is not an item of Municipal revenue nor has it been transferred to the Municipality.

6. *Opening balance.*—In lieu of the estimates proposed by the President the figures given in the margin, which are based on the actual balances on 1st July 1901 and the sanctioned estimates for 1901-02, will be adopted as the correct estimated balance.

EXPENDITURE.

7. *III Collection* (a) *Octroi.*—The Municipal Boards of Devanhalli and Channapatna propose the reduction respectively of a peon on Rs. 6 and two watchers on Rs. 5 each. This accounts for the decrease under this head. As contingencies in addition to commission to village servants for collecting the duty in Devanhalli cannot be allowed the item of Rs. 15 provided on this account will be struck out.

8. *IV Conservancy.*—The following variations are provided in the fixed charges under this head :—

Municipality	Existing	Proposed	Difference
Devanhalli	3 Sweepers at Rs. 4 each	3 Sweepers at Rs 5 each	+ 36
Vadigenahalli	1 Mutsaddi on „ 4	1 Mutsaddi on „ 10	+ 72
	1 Peon on „ 6	.. ..	— 72
Magadi	9 Sweepers at „ 5 „	6 Sweepers at „ 5 „	— 180
	1 Cart on „ 10	2 carts on „ 6 „	+ 24
Kankanhalli		1 cart on „ 15	+ 180

The number of sweepers on Rs. 5 each is proposed to be reduced from 9 to 6 in Magadi, the hire of two conservancy carts being raised from Rs. 5 to 6. In the sanctioned budget for 1901-02, there was only one cart on Rs. 10 per mensem. When

and under what circumstances two carts on Rs. 5 each were employed should be explained. The hiring of cart in Kankanhalli is considered necessary for the removal of the sweepings and other rubbish. The provisions made for these as also for increase in Devanhalli and the variation in Vadigenahalli, are passed.

9. *VII Lighting.*—In the Municipalities of Devanhalli and Vadigenahalli the Boards propose to manage lighting by amani and employ lamp lighters on Rs. 6 and 4 respectively, thereby effecting savings to the extent of Rs. 100 and Rs. 75. The proposal is sanctioned and the provisions approved.

10. *VIII Public Works.*—Owing to the inadequacy of funds the provisions made in the budget of Dodballapur Municipality for new roads, drains and buildings amounting to Rs. 750 will be struck out, corresponding reduction being made in the provision under (a) Supervision. The provisions made under this head on account of works to be executed and supervision charges in other Municipalities are approved. It is noted that notwithstanding the fact that no provisions have been made for works in Nelamangala the closing balance is less than the prescribed minimum and that the Board should endeavour to develop their sources of revenue.

11. *IX Charitable grants.*—The provision made under this head for special allowances to Hospital Assistants for visiting Sulibele, Vadigenahalli and Sarjapur will be struck out as the same is inadmissible under Government Proceedings No. 15711-20—L. F. 144-92, dated 21st March 1902.

12. *XI Miscellaneous* (a) *Repayment of Loans.*—As funds are available the provision made under this head in the budget of Tyamagondlu will be raised by Rs. 600 so as to admit of the immediate adjustment by the Comptroller of the balance of loan due to Government in view to save the Municipality from liability to pay interest for 1902-03.

13. The other items call for no remarks and are passed.

14. The budget estimates of receipts and expenditure of the several Municipalities in the Bangalore District are sanctioned as shown in the accompanying appendices. The abstract results are given below :—

Total ...	24,586	43,923	68,509	48,289	20,220	

From the above it is evident that the closing balance is less than the prescribed minimum in Yelahanka, Kengeri, Dodballapur, Magadi, Closepet and Kankanhalli. Steps should be taken to maintain the usual working balance.

2. Letter No. 945, dated 6th May 1902, from the same officer, submitting with reference to this office docket No. 17866—L. F. 41-97, dated the 26th April 1902, copies of proceedings of meetings held by the Kadaba, Tiptur and Nonavinkere Municipal Boards during the months of January and February 1902, and stating that the Taluk Sheristadar is not a member of the Tiptur and Nonavinkere Municipal Boards, that he was asked by the Amildar to hold meetings for him during the latter's absence from head-quarters on other work, that the Sheristadar actually presided over the meetings referred to in the letters read above, and that no instances have occurred in which meetings of Municipal Boards were presided over by one of the members present in the absence of the Vice-President from such meetings.

No. 2109-18—L. F. 27-02, DATED BANGALORE, 1ST AUGUST 1902.

ORDER THEREON.—Government have not authorized Vice-Presidents to delegate their power of presiding over meetings even to members of the Boards. Such being the case, the meetings of Nonavinkere and Tiptur Municipal Boards presided over by the Taluk Sheristadar of Tiptur, who is not a member of these Boards, are irregular.

2. Due provisions on such matters will be made in the new Municipal Regulation, which is now under the consideration of Government.

1. Letter No 220, dated the 3rd September 1901, from the President of the Municipal and District Fund Boards, Mysore District, soliciting instructions as to whether the President is competent under para 5 of the Government Proceedings No. 5127-5207—L. 635, dated the 21st June 1892, to sanction transfer of funds allotted for a specific work in the District Fund Budget to some other work under the same major head, or whether Government sanction is necessary for such transfers under para 11 of Government Proceedings No. 3075-86—L. 425, dated the 23rd May 1892.

2. Correspondence ending with letter No. 450, dated the 29th March 1902, from the President of the Municipal and District Fund Boards, Hassan District.

No. 2228-42—L. F. 119-96, DATED BANGALORE, 2ND AUGUST 1902.

ORDER THEREON.—The facts that gave rise to the present question are these :—In May 1901, the Executive Engineer of the Mysore Division proposed a transfer of Rs. 500 from Rs. 3,000 provided for improving the worst portions of Hampapur-Ramanathapur road to the provision of Rs. 1,000 made for improving Hassan-Periapatna-Cannanore road in the District Fund budget of the Mysore Circle for 1900-01 under the head "A I original works to be executed by Public Works Department." The President thinks that he is competent to sanction such transfers without a reference to Government under para 5 of Government Proceedings No. 5127-5207—L. 635, dated the 21st June 1892, but the Executive Engineer differs from him, on the strength of para 11 of Government Proceedings No. 3075-86—L. 425, dated the 23dr May 1892. The order of June 1892, on which the President relies, refers purely to Municipal charges, and as such cannot be construed as applicable to charges incurred out of District Funds.

As, however, no uniformity of practice as regards such transfers exists at present, Government direct that, in supersession of all the existing *rules or orders to the contrary, para 5 of the order of June 1892 be applied also to charges incurred out of District Funds, construing the word "item" occurring in para 11 of the order of May 1892 as referring only to major heads. The effect of this order is, therefore,

*Para 23 of subsidiary rules framed under late Chief Commissioner's Notification No. 110, dated 4th July 1874.

to authorize the several District Fund and Municipal Boards to sanction without reference to Government all applications for transfer of funds from one sub-head to another under the same major head, irrespective of the purpose for which the allotment is made.

(1) Memorandum by Mrs. Donald Robertson on the proposal for utilizing the allotment made by the Victoria Memorial Scholarship Fund for Mysore.

In considering how the yearly allotment of Rs 600 from the Victoria Memorial Scholarship Fund could most advantageously be expended in Mysore, I have had consultations with Mr. Krishna Murti, C.I.E., the Dewan, Lieut.-Colonel Benson, the Senior Surgeon and Sanitary Commissioner, Lieut.-Colonel Smyth, in charge of the Victoria Hospital, which was opened by His Excellency the Viceroy in 1900, and Miss Govindarajulu, the Mysore Government Lady Doctor at Mysore. There is a general consensus of opinion that what is urgently needed in this State is not trained midwives, of which there is a large supply available, but respectable and well-trained Native sick-nurses who have received a sufficiently practical training in one of the hospitals.

To exemplify the statement regarding the numbers of midwives now in Mysore, I may quote the following facts and figures. There are altogether 89 midwives, *viz.*, 4 Eurasians, 65 Native Christians, 16 Hindus and 4 Mahomedans. All these are in receipt of pay from the State; after receiving the requisite training, 76 have been stationed at the Head-quarters of Taluks and the rest are working in the Cities of Mysore and Bangalore.

It is, moreover, an interesting fact that the trained article is gradually ousting from popular favour the ignorant barber class who do so much mischief in attending confinements. In the course of my enquiries one defect in the present organization has come to my notice which, I hope, will be further examined and, if necessary, adjusted. The midwives are working partly under Civil Officers and partly under the Medical Department. The result of this divided jurisdiction is that the women are not properly supervised, and that the full amount of work of which they are capable is not exacted of them. I believe that the Dewan has kindly consented to look into this matter.

It cannot be said that the same or, indeed, any adequate provision exists in the case of ordinary sick-nurses, whose training presents greater difficulties and demands a more sustained attention. Colonel Benson tells me that he frequently has application for the services of women with the accomplishments of a trained nurse, but they are not to be had. There is no reason to doubt that we could employ as many as we could train, but the process cannot be rushed, and it is very desirable to carefully mature our preliminary arrangements so that mistakes in the initial stages may be, as far as possible, avoided. With the funds which Her Excellency has allotted, I find that it will be possible to start 4 nursing scholarships. The women will receive Rs. 10 each per mensem; their pay will utilize Rs. 480 of the Rs. 600 allotted to Mysore: the balance of Rs. 120 will, it is hoped, cover cost of clothes, books and any travelling necessary. The selected candidates will reside and be trained in the Victoria Hospital, Bangalore. It is impossible to say at present how long the course will last. Speaking generally it may be said that the longer the training the better equipped the nurses will be for their work. Some women are naturally quicker to learn than others: 18 months will probably be the normal term, but financial consideration will doubtless operate to limit any undue extension of the training. Knowledge of one vernacular at starting must be an essential condition. There is fortunately an excellent little text-book written by Miss Noe Walker of the Church of England Zenana Mission Hospital at Bangalore, which candidates can study. So far as possible women of good caste will be selected. Colonel Benson is already making enquiries from various girls' schools; in this part of India, however, Native Christian nurses are not ordinarily objected to, and the caste difficulty is not a pressing one.

Our present aim and object is to make a start with four women, and I hope, if our proposals commend themselves to Her Excellency, this will be accomplished almost immediately. Subsequently there will be further details to settle such as the position of the women when trained, namely, whether State employment is to be offered them; if so, under what conditions, and also whether a limit should be placed upon their charges for private nursing.

The two limitations upon an extension of the scheme here roughly outlined are (*a*) funds and (*b*) accommodation. In course of time as the training progresses, and its advantages are made more apparent, it may confidently be hoped that more money will be forthcoming from local sources, and that increased accommodation may be provided as a necessary adjunct to the hospitals. Until then we cannot make the progress which the great importance of the work demands, but meanwhile Her Excellency may rest assured that the question will continue to receive attention, and that, starting as it does with the cordial support of the Head of

the State's Executive Government and the leading Medical officers in Mysore, the arrangement now to be inaugurated has the best possible chance of success.

I add, as an appendix to this memorandum, copy of a letter received from Mr. P. N. Krishna Murti, C.I.E., Dewan of Mysore, regarding his endowment of Rs. 6,000 for the Victoria Memorial Scholarship Fund.

AGNES ROBERTSON.

OOTACAMUND,
26th April 1902.

Copy of a Demi-Official letter, dated the 18th February 1902, from the Dewan of Mysore to Mrs. Donald Robertson.

I am very sorry that my letter of the 7th instant contained no mention of the amount.

The arrangement made with regard to my endowment of six thousand rupees in trust for the "Victoria Memorial Women's Scholarships" is as follows :—

A Government of India Paper No. 011742—034471, of 3½ per cent of 1879 for six thousand rupees has been deposited in safe custody in the Bangalore Branch of the Bank of Madras. The Agent has kindly agreed to open a separate account in my name in connection with Victoria Memorial Women's Scholarships, and to draw and remit the interest half-yearly which will be utilised for the purpose mentioned.

Colonel Benson has promised to find a woman duly qualified and I beg to send herewith an extract from his letter of the 10th February. When such woman is found she will be attached to the Jahgirdar's Hospital in Yelandur. This institution has been in existence for some years now, and when the new building, in the course of construction, is completed a ward will also be styled Victoria Memorial Women's Ward. I trust this arrangement will be satisfactory to you and to Her Excellency Lady Curzon.

Extract from a Demi-Official letter, dated the 10th February 1902, from Colonel P. H. Benson to the Dewan of Mysore.

I am in receipt of yours of the 10th regarding a qualified midwife for Yelandur. I will make enquiries as to whether a caste woman is available and will let you know very shortly. If one is not available I will get one and have her trained.

* * * * *

D. O., dated 3rd June 1902, from Mrs. Robertson to the Dewan.

1. You will have received a copy of the Memorandum which I had the honor to submit to Her Excellency Lady Curzon regarding the manner in which the contribution made to Mysore, from the interest accruing on the Victoria Memorial Scholarship Fund, is to be expended, and the arrangements connected therewith, intended to improve the Nursing Service in this State, by training and equipping women for the better and more systematic performance of this duty. This scheme which I have had the pleasure of discussing with you, and the Medical Officers in the service of Mysore, has been approved by Her Excellency, and all that appears to be now required is to take such steps as shall secure the permanence of these generally accepted measures.

2. It occurs to me that the most satisfactory manner of accomplishing this would be a Government Resolution explanatory of the whole scheme, if you will kindly issue one describing what has been done, and announcing, for the information and guidance of State officials and the public, that the State accepts responsibility for the further prosecution of the Victoria Memorial Scholarship Nursing Scheme.

3. There are, however, various points which appear to require your kind consideration before the intentions and instructions of Government are finally announced.

4. A sum of Rs. 600 yearly has been promised from the Central Fund, which will, it is estimated, suffice to provide scholarships for four nurses during their training of one year and upwards. There should consequently, in the course of a year from the 1st July 1902, be a regular succession of four trained sick nurses in Mysore, year by year, competent not only to render efficient aid in the Hospitals, but also to take private employment. It is hardly possible to over-rate the advantage of having a sufficient supply of trained nurses for hospitals and sick-rooms.

5. The next point for attention is the treatment to be extended to these women when their training ceases. It is estimated that the pay of each one should then be not less than Rs. 20 per mensem, but it does not appear to be necessary that this charge shall form, for all time, an increasing burden upon State Funds. Doubtless at first the Hospitals could take most of the trained nurses, but, later on, some of them should be able, and probably would desire, to seek private employment. When it becomes generally known that the services of trained nurses are available, there would probably be no difficulty in their finding nursing work in large towns such as Bangalore and Mysore. It would not therefore be necessary to guarantee employment to all those trained after, say, 1905.

6. From the start I consider that it would be very advantageous if you would sanction that the disbursement of the annual contributions from the Victoria Memorial Scholarship Fund, and the supervision of all operations incidental to the training of nurses, be confided to the State Medical Department. The Senior Surgeon could then determine where the women were to be trained and live during their course of education, and might also draw up rules for their guidance, and the information of the officer in charge of the institutions concerned.

7. I now come to a matter which appears to me of considerable importance. There is a large number of midwives in Mysore, who have been trained under the auspices of the Countess of Dufferin's Fund, and are State servants. This movement has already accomplished much good, but I venture to suggest that it might produce better results if a change were made in its direction. At present the *Dhais* work, I believe, under the orders of the district authorities; there is, I am told, a feeling that they belong to no department in particular, and the supervision over them, and their work, is insufficient and unsatisfactory. Would it not be well to place all these women directly under the orders of the Medical Department, by whom they are, I understand, now paid? This would ensure a closer and a much desired professional control, and enable the State to reap some advantage from a combination of the two systems of midwife and sick-nurse training, under one branch of the Administration. I apprehend that some of the better class of midwives might be found fit to receive further training in nursing with benefit to themselves, thereby also adding popularity to the movement which they represent. The Senior Surgeon would doubtless be able to elaborate such a joint scheme. The object at first, however, is to place both organizations, *viz.*, the Dufferin Fund and its employés, together with the Victoria Memorial Scholarship Fund, under one authority, and to render to the latter the permanent *status*, which it can only acquire provided it be formally and publicly recognized and encouraged by the State.

8. I am very anxious to be able at the earliest possible date to inform Lady Curzon that a start has actually been made under your official auspices, and shall therefore be much obliged if you will kindly give this matter your prompt consideration, so that the training of the first batch of nurses may commence on the 1st July.

(2) Letter Camp No. G. 22, dated Mysore, 19th July 1902, from Lt. Col. Percy H. Benson, M.B., I.M.S., Senior Surgeon and Sanitary Commissioner with the Government of Mysore, Bangalore, to L. Anantasami Rao, Esq., B.A., Officiating Secretary to Government of Mysore, General and Revenue Departments, Bangalore.

1. In the enclosed letter dated Ootacamund, 3rd June from Mrs. Robertson to Mr. Krishnamurti, you will observe in para 4 that a sum of Rs. 600 per annum has been promised from the Central Fund of the Victoria Memorial Scholarship Fund to provide scholarships for training midwives for this Province; as however the Province is already amply provided in this way, there being a trained midwife to each taluk, it occurred to Mrs. Robertson and myself that it would be better to add to the course of Midwifery, a course of practical training in the art of Nursing, as there is a growing demand amongst the educated classes in time of sickness for trained nurses of their own nationality.

2. To meet this demand Mrs. Robertson proposes and I quite agree with her, that we should annually train up four or even five women of good caste able to read and write Kanarese as midwives and nurses.

3. They would be required to undergo a theoretical and practical course in Midwifery and Nursing at the Maternities of Bangalore and Mysore extending over a period of not less than 18 months, and on passing a satisfactory examination at the end of their course, it is proposed to post them to the larger hospitals in the Province, where their services will be utilised, and where they will at the same time always be available for duty, should their services be required by private individuals, and while so employed they will be allowed to accept of such fees as may be decided upon hereafter.

4. Mrs. Robertson suggests that their pay should not be less than Rs. 20 per mensem. The present pay of midwives attached to hospitals and Local Fund Dispensaries ranges from Rs. 15 to 20 according to where they are stationed, being Rs. 15 in the Maidan and Rs. 18 to 20 in the Malnad. As the women we propose to train up now will belong to better castes and be given a more thorough training, it seems only fair that they should receive a somewhat increased rate of pay.

5. The number required being limited, it will not be necessary to guarantee employment to those trained after July 1905 by which time there will be eight trained nurses available. At the end of this period should it be found that their services are frequently requisitioned, the question of increasing their number can then be considered. I have therefore the honor to request that Government will be pleased to accord their sanction to the proposal made regarding the pay of these nurses. The first charge will fall due in December 1904 and provision could be made in the Medical Budget for 1903-04 to meet it.

6. Mrs. Robertson in the last para but one of her letter suggests that not only these nurses, but all the midwives in the Province should be placed under the orders of the Senior Surgeon. Government in their G. O. No. 4629-40—L. F. 55-93, dated 7th September 1893, decided that as the midwives are paid entirely from the Municipal and Local Funds the control must necessarily vest in the Presidents of the Boards. The then Senior Surgeon Col. T. J. McGann was of opinion that the control of the midwives should be with him and five out of the eight Presidents of Local Fund Boards and Municipalities have not opposed to this arrangement.

7. It is now nearly ten years since this order was passed and on the whole it may be said to have worked fairly satisfactorily. My predecessor however always maintained that the dual control was an unsatisfactory one, and in this I quite concur, and I think the time has now arrived when the control of the midwives and nurses should be vested in the Senior Surgeon. Government may rest assured that in all cases of transfers, etc., the Presidents of the Municipalities and Local Fund Boards in whose districts they may be serving, will invariably be consulted and none of them will be suspended or dismissed without referring the matter to the Presidents of the several Boards concerned.

8. Should Government be pleased to sanction this I would suggest that the scale of pay as it now stands be altered—

It is for a midwife serving in the Maidan	...	...	Rs. 15
Semi-Malnad	...		„ 18
Malnad	...	...	„ 20

A midwife serving in the Malnad on Rs. 20 if transferred on account of sickness or any other cause to a Maidan Taluk gets only Rs. 15 thereby losing Rs. 5 per mensem and she is naturally discontented: I would therefore suggest that the pay proper of all the midwives should be Rs. 15 and that when serving in the Semi-Malnad or Malnad they be granted an allowance of Rs. 3 and 5 respectively. This will obviate all difficulties in the matter of insurance, their premiums being based upon their pay.

9. Should these proposals commend themselves to Government I have the honor to request that early orders may be passed.

(3) Government Proceedings No. 4629-40—L. F. 55-93, dated 7th September 1893.

READ—

Letter from the Senior Surgeon, No. 4588, dated 18th April 1893.

ORDER THEREON.—Government resolve to issue orders on the points raised in the letter read above, in connection with the service of midwives employed in the several taluks of the Province.

2. Midwives employed in taluks are now paid at Rs. 15 and 20, but in future the Senior Surgeon suggests that three scales should be formed of Rs. 15, 18 and 20 for the Maidan, semi-Malnad and Malnad Taluks respectively, in the same way as charge allowances are granted to Hospital Assistants in charge of Local Fund Dispensaries, with eight annas extra for every case over four attended in a month by a midwife in the Malnad proper, and for every one over five attended by a midwife in the other taluks, together with a travelling allowance at reasonable rates. The Presidents of Local Fund Boards and Municipalities in the several Districts of the Province accept the principle of the suggestion of the Senior Surgeon, though some of them think a smaller pay than Rs. 20 and 15 might suffice. Some of the Presidents think that instead of 8 annas, a fee of 12 annas might be granted for the number attended over the minimum prescribed. Government approve of the suggestion of the Senior Surgeon, and sanction the introduction of the scale recommended by him from 1st January 1894. But if the adoption of the scale involves a reduction of the pay of any of the existing incumbents, and they do not accept the change proposed, their pay should not be reduced but they will not also be entitled to the additional remuneration offered for cases attended in excess of the prescribed number. If the midwives do not attend the prescribed number of cases, and they cannot satisfactorily explain their omission, they may be fined at the discretion of the Presidents of Local Fund Boards and Municipalities. They may draw a mileage of 2 annas per mile, when they travel a distance of over 5 miles from their Head-quarters, but they should not be allowed to draw any batta during their halts. In all probability they will be boarded and accommodated by persons on whom they attend.

3. The employment of midwives should not be confined to the Head-quarters of the Taluks in which they are employed. Their services should be available to the people of the whole Taluk or Taluks for which they have been employed. Eventually it is the intention of Government to have at least one midwife for each Taluk.

4. The other question raised by the Senior Surgeon relates to the general control to be exercised over the midwives. He thinks that the control should be with the Senior Surgeon and that he should be competent to fine, suspend, dismiss or transfer a midwife from one Taluk to another, or bring her into Head-quarters for further training or to be kept under observation. The Presidents of Local Fund Boards and Municipalities of Bangalore, Kolar and Mysore are opposed to the control being vested in the Senior Surgeon, while the Presidents of the other Districts have no objection to the Senior Surgeon having the control. Government consider that since these midwives are paid entirely from the Municipal and Local Funds, the control must necessarily vest in the Presidents of the Boards. They have greater opportunities of knowing whether the midwives are conducting themselves properly or not, but in all important matters connected with the control, they are required to consult the Senior Surgeon and be guided by his advice. When they fail to do so, the Senior Surgeon is at liberty to bring the matter to the notice of Government. Whenever the Senior Surgeon

thinks that a midwife requires to be kept under observation at the Head-quarters or for further training, he should suggest the same to the Deputy Commissioner concerned, and if he fails to comply with his request, bring the matter to the notice of Government.

No. 2273-84—L. F. 55-93, DATED BANGALORE, 3RD AUGUST 1902.

ORDER THEREON.—Government are glad that Mrs. Robertson has liberally arranged for a yearly contribution of Rs. 600 for the training of women of better castes and respectability as sick-nurses in the Province. They readily accept the responsibility of the trust, and are in favour of carrying out the proposals contained in the memorandum and the Senior Surgeon's letter read above.

2. Government are accordingly pleased to sanction the training annually, in the Victoria Hospital and at the Maternities of Bangalore and Mysore, of four women of the more respectable classes and good character able to read and write Kannada, and to guarantee employment to those who qualify as nurses before July 1905. The period of training the nurses for 18 months and the methods thereof proposed, are fair and are approved. The pay of these trained nurses will be fixed at Rs. 15 -1--20.

3. Government concurring with the Senior Surgeon consider that it would be a reform in the right direction if the existing midwives are placed under the control of the Senior Surgeon and accordingly direct in modification of para 4 of Proceedings No. 4629-40—L. F. 55-93, dated the 7th September 1893, that, hereafter, the control over the Midwives and Nurses do vest in the Senior Surgeon, subject to the condition of the Presidents of the District Fund and Municipal Boards concerned being consulted in all cases of transfers, suspensions and dismissals, as suggested in para 7 of the Senior Surgeon's letter read above. Five of the Presidents of Local Fund Boards and Municipalities, have already agreed to such an arrangement, and the Government trust, that, having regard to the efficiency and advantage accruing from one control which should, in the nature of things, be in the Medical Department, the Presidents of the other Local Fund Boards and Municipalities will also accept such an arrangement.

4. In para 8 of the letter read above, the Senior Surgeon proposes an alteration of the scale of pay for midwives. The present scale of pay is—

Rs. 15	for a midwife serving in the	Maidan,
„ 18	do	Semi-Malnad,
„ 20	do	Malnad,

the Senior Surgeon suggests that the same be fixed at an uniform rate of Rs. 15 per mensem, with an allowance of Rs. 3 and 5 respectively, for those serving in the Semi-Malnad and Malnad. This revised arrangement commends itself to Government, as it obviates all difficulties in the matter of insurance, their premiums being based upon their pay, whereas, under the existing system, a midwife serving in the Malnad on Rs. 20 if transferred on account of sickness or other cause to the Maidan gets only Rs. 15 thereby losing Rs. 5 per mensem, and she naturally feels discontented. The recommendation of the Senior Surgeon is accordingly approved and sanctioned, with effect from the 1st August 1902.

RECEIPTS.

2. *I. Octroi.*—The estimates under this head include the anticipated revenue from the articles noted below, proposed to be subjected to Octroi in Tumkur, Gubbi and Turuvekere. The proposed extension of duty in the first two towns to the articles specified, except sheep and goats, having been sanctioned by Government in their Proceedings No. 16677-8—L. F. 73-95 and No. 16675-6—L. F. 73-95, dated 12th April 1902, the new estimates proposed will be passed and that entered under "Sheep and Goats" transferred to "VIII Rents (d) Markets", under which the items used to appear hitherto. But as Government declined to sanction the introduction of the duty into Turuvekere, the new estimate provided in the budget of the town will be disallowed :—

No.	Articles	Tumkur.	Gubbi.	Turuvekere
		Rs.	Rs.	Rs.
1	Cocoanuts, fresh	400	120	50
2	Ditto dry	200	80	50
3	Betel-leaves	400	500	150
4	Sugar	100	...	...
5	Jaggory	250	...	250
6	Ghee	150	...	...
7	Butter	...	...	10
8	Sheep and goats	360	...	...
9	Kerosine oil	...	100	...
10	Tobacco	...	300	75
11	Cloths	...	500	40
	Total ...	1,860	1,600	625

The variations under Cloth in Tumkur and in Chiknayakanhalli are based on past actual collections. The estimates are passed.

3. *II. Tax on Houses and VII. Mohatarfa.*—The increase in the estimates under "House and Shop taxes" in Maddagiri is due to the taxes having been revised in the town, while the decrease under "Cart and House taxes" in Tumkur and Koratagere respectively and increase under House tax in Chiknayakanhalli and Honnavalli are stated to be based on the jamabandi figures. The estimates are approved.

	Sanctioned for 1901-02.	Proposed for 1902-03
	Rs.	Rs.
1. Tumkur— Cart tax	250	200
2. Maddagiri— Shop tax	400	550
House tax	1,150	1,500
3. Chiknayakanhalli— House tax	1,825	2,000
4. Honnavalli— House tax	662	790
5. Koratagere— House tax	502	464

4. *VIII. Rents—(c) Markets.*—The large decrease in the estimate under this head in the budget of Tumkur is explained to be due to the Revenue (Rs. 400) from tax on "Sheep and Goats" having been transferred to the head "I. Octroi—Class ii. Sheep and Goats", but the estimate proposed under the latter head is only Rs. 360 and the amount hitherto shown under this head represents the income from slaughter-house fees. The President is therefore requested to explain this difference and the reason for the proposed transfer, and to state whether the actuals of 1900-01 (Rs. 678) and the sanctioned estimates for 1901-02 (Rs. 600) included receipts from fees on sheep and goats. Pending information, the estimate under this head will be raised by Rs. 360.

5. *X. Miscellaneous—(a) Sale of Houses and Lands.*—The Municipal Board of Tumkur expect a large increase from sale of sites in the southern extension of the town out of the lands acquired for the purpose. The estimate is approved.

6. *Opening Balance.*—It is observed that no opening balance is entered in the budget of Tumkur, while balances shown against certain other Municipalities do not appear to be correct. The omission will be supplied in the budget of Tumkur and correct estimates adopted in other budgets as shown below :—

No.	Municipalities.	Proposed.	Sanctioned.

EXPENDITURE.

7. *II. Head Office.*—The budget of Honnavalli provides a new item of Rs. 6 on account of contingencies of the Vice-President's office. The necessity for this should be explained. Pending information, the provision will stand.

8. *III. Collections—(a) Octroi.*—The budgets of Tumkur, Gubbi and Turuvekere provide for the increases noted below on account of establishments for collection of Octroi duties. As the introduction of Octroi into the Municipality of Turuvekere was not sanctioned by Government, the provision made for the charge of collection in the town will be struck out. The other items are in accordance with Proceedings Nos. 16677-8—L. F. 73-95 and 16675-6—L. F. 73-95, dated 12th April 1902, and are passed :—

	Rs.

Increase to the Manegar	36
2. Gubbi—	
1 Mutsaddi or Manegar on Rs. 8	96
1 Peon on Rs. 6	72
3. Turuvekere—	
1 Manegar	60

9. *III. Collection—(b) House and Mohatarfa taxes.*—No provision has been entered in the budgets of Kunigal and Huliyurdurga for the collection of house and mohatarfa taxes, while the percentage of charges proposed in other Municipalities ranges between 3·4 in Tumkur and 5·9 in Koratagere. In regard to Kunigal and Huliyurdurga, it should be explained whether mohatarfa collections were taken into account in fixing Pakka Potgi in these towns. The provisions made in the remaining Municipalities will be modified in accordance with the scale laid down in Proceedings No. 12704-13—L. F. 295-96, dated 8th May 1899, and the President will be

requested to state whether in Tumkur, Gubbi, Tiptur, Chiknayakanhalli, Sira and Maddagiri separate hands may not be employed on Rs. 7 or Rs. 8 per mensem for collecting these taxes instead of entrusting the work to village officials :—

Tumkur	4,380	150	3·4	131

10. *IV. Conservancy.*—It is proposed to employ four additional scavengers in Tumkur for the removal of night-soil in the town and a peon for Kyatasandra Municipality. These provisions as well as those made for the purchase of dust-bins or wheel-barrows in certain other Municipalities in the district are passed. In the budget statement No. III of Kadaba, the total amount under this head sanctioned for 1901-02 is given as Rs. 432, whereas in statement No. I, the correct figure, Rs. 346 is entered. The necessary correction will be made in the budget.

Tumkur—
Scavengers 4 at Rs. 7=Rs. 336
Kyatasandra—
Peon on Rs. 6=Rs. 72.

11. *VIII. Public Works.*—It is observed that in budget statement No. II showing details for works to be executed in the Maddagiri Municipality, a sum of Rs. 40 is provided for repairing a well, whereas the same is omitted in statement No. I and that the correct total of details given in statement No. II is Rs. 840 and not Rs. 800 as erroneously entered therein. The former figure will be adopted in the budget, the provision for (*a*) Supervision, being raised from Rs. 80 to Rs. 84. The amount of supervision charges sanctioned for Holavanahalli for 1901-02 should be Rs. 10 and not Rs. 5 as erroneously entered therein. This correction will be made in the budget statement.

12. *XI. Miscellaneous.*—In the budget form No. III of the Tiptur Municipality a sum of Rs. 30 is entered on account of "Other items," whereas the same is omitted in budget form I, though the same is included in the total given therein. The omission will be supplied, retaining the total estimate under this head at Rs. 150.

13. The other items call for no remarks and are passed.

14. The budget estimates of receipts and expenditure of the several Municipalities in the Tumkur District for 1902-03 are sanctioned as shown below. The usual particulars are given in the accompanying appendices :—

	Total ...	26,191	40,549	66,650	50,060	16,590

From the above it appears that the closing balance is less than the prescribed minimum in the Municipalities of Koratagere, Maddagiri, Huliyar, Kunigal, Huliyurdurga, Holavanahalli and Kyatasandra. Steps should be taken to maintain the working balance by effecting savings in the sanctioned allotments, if actual balances in favour of these Municipalities on 1st July 1902 are not in excess of the estimates adopted in these budgets.

2. *I. Octroi.*—The omission of any estimates under this head in the budgets of T.-Narsipur, Sosale, Bannur and Talkad, is due to the respective Municipal Boards having considered it advisable to defer the introduction of the Octroi tax into the Municipalities already sanctioned by Government owing to the prevalence of plague in these towns. The increase proposed in the budgets of Hunsur, Chamrajnagar, Nanjangud and Saligram is expected from the heavy traffic on goods subjected to Octroi. But the cause of the falling-off of revenue in Sargur and Gundlupet has not been explained. The omission should be supplied. Pending information, the estimates will stand.

3. *II. and VII. House and Mohatarfa taxes.*—No explanation is furnished for the variations noted below proposed under these heads, nor are they supported by the actual and probable collections. Pending explanation, which should be submitted, the estimates will stand :—

4. *VIII. Rents.*—The source from which a sum of Rs. 24 is newly expected from rents, from houses in Chamrajnagar, should have been stated. The estimate will not, however, be disturbed.

5. *Opening Balance.*—In lieu of the estimates proposed under this head, correct balances as arrived at with reference to the actual balance in favor of each Municipality on 1st July 1901 and the sanctioned estimates for 1901-02, will be adopted :—

EXPENDITURE.

6. *III. Collection (a) Octroi.*—No provisions have been made under this head in the budgets of T.-Narsipur, Sosale, Bannur and Talkad, as the collection of Octroi in these Municipalities has been postponed, while the budget of Gundlupet provides for an additional mutsaddi on Rs. 5 per mensem. Pending the issue of final orders on a separate reference submitted by the President in regard to the additional mutsaddi, the provision will be tentatively retained.

7. *III. Collection (b) House and Mohatarfa Taxes.*—The President explains that provisions under this head have been made in accordance with Proceedings No. 12704-13—L. F. 295-96, dated the 8th May 1899. But the amount provided in the budget of Nanjangud is only about two per cent of the estimated revenue from house and mohatarfa taxes, while the correct amount calculated on the authorized rate of 5 per cent, which ought to have been entered, is Rs. 176. The President is therefore requested to state why a separate hand should not be employed for the collection of the taxes, instead of entrusting the collection work to the village servants in the town. Pending information, however, the provision will not be disturbed.

8. *IV. Conservancy.*—The following increases proposed in the budget of Chamrajnagar are sanctioned and the provisions made therefor approved :—

		Rs.
1.	Chamrajnagar—	
	I. Increase of dafadar's pay from Rs. 8 to 9 per mensem ...	12
	II. Additional sweeper on Rs. 5 per mensem	60
	III. Purchase of dust-bins	56

9. *VIII. Public Works.*—The provisions made for supervision charges in certain Municipalities do not correctly represent 10 per cent on the cost of works. They will be modified as shown below :—

No.	Municipalities.	Proposed.	Sanctioned.
		Rs.	Rs.
1	Chamrajnagar	158	143
2	Yedatore	97	88
3	Sargur	75	73

5	Saligram	157	131
6	Kalale	120	109
7	Talkad	47	43
	Total ...	702	631

10. *IX. Charitable Grants.*—The budgets of Hunsur, Chamrajnagar, Yedatore, Gundlupet and Nanjangud, provide Rs. 15 each on account of furniture for the Local Fund Dispensaries situated in those places. It should have been explained whether the amount represents 1/3rd of the charge debitable to Municipal Funds. The omission should be supplied. Meanwhile the estimates will be retained.

11. The other items call for no remarks and are passed.

12. The budget estimates of receipts and expenditure of the several Minor Municipalities in the Mysore District for 1902-03, are sanctioned as shown in the following abstract statement. The particulars are appended :—

No.	Municipalities	Estimated opening balance on 1st July 1902	Estimated receipts during 1902-03.	Total including balance	Estimated expenditure for 1902-03	Estimated closing balance on 30th June 1903.

13. It is observed that the balance at the end of the year is less than the prescribed minimum in Nanjangud, Gundlupet, T.-Narsipur, Sosale, Mirle and Bannur. Steps should be taken to maintain the usual working balance by effecting savings in the sanctioned allotments, if the actual balances in their favor on 1st July 1902 are not more than the estimates adopted in the present budgets.

RECEIPTS.

2. *I Octroi.*—The estimates noted below, which are not supported by the actuals of 1900-01, and the probable collections of 1901-02, will be modified as specified against each with the observation that estimates under this head should chiefly be based on the average collections of the two years and not on the estimate for the latter year as has been now done. The estimated revenue from certain articles under this head is, however, small and may be given up, if by prevention of smuggling as far as practicable, the income therefrom does not show tendency to improve :—

Municipality.	Items.	Actuals of 1900-01.	Probables of 1901-02.	Total of two years.	Average.	Amount proposed.	Amount sanctioned.
Harihar	Cocoanuts, fresh	70	42	112	56	100	60
	Betel-leaves	112	87	199	99	150	100
	Sugar	6	6	12	6	10	6
	Jaggory	68	62	130	65	100	65
	Tobacco	124	107	231	115	150	115
Holalkere	Cloth	472	442	914	457	500	460
Hosdurga	Do	66	38	104	52	100	55
Jagalur	Do	428	436	864	432	500	430
Molakalmuru	Betel-leaves	222	243	465	232	280	230
	Cloth	207	165	372	186	200	190

It is noted that no estimates have been entered under cocoanuts, betel-leaves, jaggory and tobacco in the Hosdurga Municipality as the levy of tax on these articles was ordered in Government Proceedings No. 15304-5—L. F. 40-98, dated 22nd March 1902, to be held in abeyance.

3. *II and VII House and Mohatarfa Taxes.*—The decrease under these heads as compared with the sanctioned estimates for 1901-02, in the budget of Davangere and under Mohatarfa shop tax in Harihar, is due to there being no arrears to be collected during the year, while the increase under "House tax" in Molakalmuru is due to the revision of the tax in the town. No explanation is, however, forthcoming for the increase under House and Shop taxes in Naikanhatti and Devasamudra or for the decrease of Shop tax in Hosdurga and Hiriyur or even for the new estimate under Oil-mill tax in Hiriyur. The omission should be supplied. Pending information, the estimates will stand.

4. *VI Tolls.*—The proposed estimate under this head represents the income expected from "Tolls" in Davangere as sanctioned in Government Proceedings No. 13278-9—L. F. 40-01, dated 12th February 1902. The estimate is allowed to stand.

EXPENDITURE.

5. *I Interest on Debt and XI Miscellaneous (a) Repayments of Loans.*—The provisions made under these heads in the budgets of Chitaldrug, Davangere, Hiriyur and Holalkere will be retained, pending the receipt from the Comptroller of a statement showing the sums payable by these and other Municipalities on account of interest and principal towards the repayment of loans advanced by Government.

6. *III Collection (a) Octroi.*—The President in his letter No. 1009, dated 12th June 1902, proposes to rent a building at Rs. 7 per mensem for storing such of the bales of piece-goods as are left in the possession of the Municipal authorities at Davangere before breaking bulk and requests sanction to the same, the sum of Rs. 50 provided under "Miscellaneous for unforeseen expenses" being raised to Rs. 84 to meet the cost. The proposed renting of a building at Davangere and the enhancement of the budget allotment by Rs. 54 are approved, but the item (Rs. 84) will be

shown under this head, the sum of Rs. 30 shown under "unforeseen" expenses being struck out. As no provisions have been made in the budgets of Holalkere, Hosdurga, Jagalur and Molakalmuru, it should be explained by whom the collection work is being managed in these Municipalities and whether no change in the collection agency is necessary for the development of Octroi revenue. Pending information, the provisions made in the other budgets will be passed.

7. *Conservancy.*—The principal items of variations proposed under this head are given below :—

Municipality.	Items	Increase			Decrease		
		No.	Rate	Amount	No.	Rate	Amount
			Rs.	Rs.		Rs.	Rs.
Harihar	Scavenger	0	0	0	1	8	96
Devasmudra	Do	1	6	72	0	0	0
Challakere	Peon	1	6	72	1	5	60
Jagalur	Do	1	6	72	1	5	60
	Sweeper	5	5	300	5	4½	270
	Do	4	3½	168	4	3	144
	Mutsaddi	1	10	120	1	7	84
	Conservancy carts ...	0	0	100	0	0	150
Turuvanur	Purchase of carts ...	0	0	50	0	0	0
Naikanhatti	Feeding charges of bullocks	0	0	120	0	0	0
	Purchase and repair of carts	0	0	60	0	0	50

It is not explained why the number of scavengers in Harihar is proposed to be reduced from 3 to 2 and increased rates of salaries are considered necessary to the mutsaddi and his peon and also to the sweepers at Jagalur. The omission should be supplied and a report submitted as to whether it would not be more advantageous to the Municipalities to hire conservancy carts in Turuvanur and Naikanhatti instead of purchasing a cart in the former and purchasing carts and feeding bullocks in the latter at a cost of Rs. 50 and Rs. 120 respectively. Pending information, the provisions will however be allowed to stand tentatively.

8. *VII Lighting.*—The particulars as to the number of lamps existing in the towns of Jagalur and Molakalmuru where lighting is managed departmentally as also the number of lanterns to be purchased and repaired in Naikanhatti have not been furnished. The omission should be supplied. Pending information, the provisions will be retained.

9. *VIII Public Works.*—Including Rs. 100 provided under "XI Miscellaneous (c) Cattle-pounds" in the budget of Naikanhatti for the construction of cattle-pound which should properly appear under this head and the supervision charges therefor at 10 per cent, the total provision under this head comes to Rs. 18,810 which will be passed, subject to the submission of estimates for works costing Rs. 500 and upwards.

10. *Charitable Grants.*—The provisions made under this head on account of contributions towards the cost of repairs of dispensary buildings will be retained with the observation that the necessity for the same should have been explained, as no corresponding provisions have been made in the District Fund budget of the Chitaldrug Circle for 1902-03.

11. *XI Miscellaneous (c) Cattle-pounds.*—The provision of Rs. 100 made in the budget of Naikanhatti for the construction of a cattle-pound in the town will be transferred to "VIII Public Works (*h*) Buildings, Original," corresponding reduction being made under this head.

12. *XI Miscellaneous other items.*—For reasons given in para 6 *supra*, the sum of Rs. 30 provided for unforeseen expenses will be struck out, corresponding reduction being made under this head.

13. The other items call for no remarks and are passed.

14. The budget estimates of receipts and expenditure of the several Municipalities in the district for 1902-03 are sanctioned as shown below. The usual particulars are appended :—

Letter No. 244, dated 2nd October 1901, from the President of the Municipal Boards, Kadur District, requesting sanction to include "transfer of Municipal taxes" in the term "for *bona fide* public purposes" as defined in Article 143 of the Civil Account Code, relating to the Civil Department.

READ—

Letter No. 5734, dated 6th March 1902, from the Comptroller stating, with reference to Proceedings No. 13663-4—L. F. 234-92, dated 20th February 1902, that he issued a circular to all Deputy Commissioners on 10th September 1901, pointing out that for land revenue and Excise revenue, the Land Revenue Code and the Excise Rules provided for payments being made in one treasury to be credited in another treasury, while there was no such provision for Municipalities, and directing that the issue of P. S. R. T. R. for the remittance of such taxes should be discontinued.

No. 2757-66—L. F. 234-92, DATED BANGALORE, 26TH AUGUST 1902.

ORDER THEREON.—It is observed that even land-holders have not the privilege of paying revenue to other than the patel, except with the special permission of the Deputy Commissioner. Such being the case, the grant of Public Service Remittance Transfer Receipt in the case of Municipal taxes is objectionable, and the existing practice in Kadur should therefore be stopped.

(1) Letter No. 790, dated 14th May 1902, from the Superintendent, Mysore Revenue Survey.
(2) Letter No. 69, dated 19th June 1902, from the Deputy Commissioner, Chitaldrug District.
(3) Letter No. Camp A., dated 24th June 1902, from the Deputy Commissioner, Tumkur District.
(4) D. O. Letter dated 3rd July 1902, from the Superintendent, Mysore Revenue Survey.

No. R. 639-79—R. F. 16-1900, DATED BANGALORE, 1ST AUGUST 1902.

ORDER THEREON.—The Superintendent, Mysore Revenue Survey, in his letter read above, brought to the notice of Government that the boundaries of the newly constituted Hosdurga Taluk were irregular and inconvenient and suggested the following transfers of villages from and to the new taluk :—

(1) From the Holalkere to the Hosdurga Taluk—

1. Hebballi.
2. Herur.
3. Kambargatta.
4. Bailahalli.
5. Dodgatta.
6. Mallapura.
7. Bansihalli.
8. Tanigekallu.
9. Ailapura.

(2) From Chiknayakanhalli to the Hosdurga Taluk—

1. Guruvapur.
2. Kainadu-Horkaval.
3. Haronahalli.
4. Hullenahalli.
5. Kadavagere.
6. Sadarhalli.
7. Vengalapura.
8. Kenchapura.

(3) From the Hosdurga to the Chiknayakanhalli Taluk—

1. Halmaledevar Kaval.

2. The Deputy Commissioner of Chitaldrug states that the villages of—

1. Hebballi
2. Herur
3. Kumbarghatta, and
4. Ailapura,

which form one shanbhog's charge, may at once be transferred and that the transfer of the other five villages of the Holalkere Taluk would involve the breaking up of the charge of a shanbhog. As regards the villages of the Chiknayakanhalli Taluk proposed to be transferred to Hosdurga, the Deputy Commissioner of Tumkur reports that there would be some difficulty in the case of the village of Kadavagere, which with Yelanadu forms one shanbhog's charge. In other respects, the Deputy Commissioners agree with the Superintendent of Revenue Survey.

3. Upon further consideration, the Superintendent of Revenue Survey states that the five villages of Bailahalli, Dodgatta, Mallapura, Bansihalli and Tanigekallu may be left in the Holalkere Taluk and that the village of Kadavagere in the Chiknayakanhalli Taluk may, as proposed by the Deputy Commissioner, be constituted a separate shanbhog's charge.

With a view to give the new Taluk of Hosdurga a convenient boundary, the suggestions of the Superintendent, Revenue Survey, as finally made in his D. O. letter read above are approved and the following notification will issue directing the transfers of the villages.

READ—

Letter No. C. 2193, dated 10th May 1902, from the Deputy Commissioner, Kolar District.

No. R. 854-6, DATED BANGALORE, 16TH AUGUST 1902.

ORDER THEREON.—The inam lands described in the margin in the Chandur and Hosayerrahalli villages of the Gudibanda Sub-Taluk, were granted to one Addanna for the service of measuring grain received for Government when the Batayi system was in force. During the Inam Settlement, the former jodi was fixed as Rs. 3-8-0 on Survey No. 46 of Chandur, and Survey No. 2 of Hosayerrahalli was confirmed free. The inam is unenfranchised.

		Assessment. A.	g.	Rs.	a.	p.
Chandur ..	Survey No 46 (wet)	1	35	13	0	0
Hosayerrahalli ...	Survey No. 2 (dry)	2	23	1	12	0

The Inamdar had three sons (1) Adimurti, (2) Adinarnappa and (3) Chinna Appaiya, of whom the first is not alive.

The first two sons mortgaged Survey No. 46 of Chandur for Rs. 60 to one Lakshmana Rao, who finally purchased * the land under a Civil Court † decree. Ever since, he has been in enjoyment of the said land and paying the quit-rent of Rs. 3-8-0.

* Execution Case No. 1130 of 1897-98 on the file of the Chikballapur Munsiff's Court.
† Being Service Inam, the land should not have been allowed to be sold like this.

Survey No. 2 of Hosayerrahalli was similarly sold in satisfaction of a Civil Court decree in October 1898 for Rs. 10 to shroff Nanjundaiya of Bagepalli, who is now in possession of the said land paying nothing to Government.

Chinna Appaiya, the third son of the Inamdar, represents that Survey No. 2 of Hosayerrahalli was attached and sold without his knowledge and that the said land should be given back to him, as such inam lands are not liable to encumbrances.

The Sub-Division Officer is of opinion that, as the services for which the inam was granted are not required by Government owing to the abolition of the Batayi system, the lands need not be continued as inam; and the Deputy Commissioner solicits sanction to their being fully assessed.

Under the principle laid down in para 4 of Government Order No. 8828-9—R. F. 216-92, dated 16th December 1892, the inam lands in question need no special protection from alienation like inams granted to village officers. The request of Chinna Appaiya is groundless.

The lands will, as proposed by the Deputy Commissioner, be subjected to the payment of full assessment. The Deputy Commissioner is also requested to recover the amount of assessment that falls due for the years during the purchasers have been in possession of them.

READ THE FOLLOWING LETTERS —

(1) Letter No. 1310—366, dated 24th September 1898, from the Deputy Commissioner, Kolar District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to your official memorandum No. 2094-2101—R. 862, dated the 12th September 1898, calling for opinion about levying the Mohatarfa trade tax from the itinerant traders, I beg to state that, as they have no shop for carrying on their business, the tax has to be levied from each individual whenever and wherever he may be found carrying on trade unless he produces a receipt for having paid the tax for the year in any place in the Province.

(2) Letter No. 569—545, dated 18th January 1899, from the Deputy Commissioner, Chitaldrug, District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to your official memorandum No. 2094-2101—R. 862, dated 12th September 1898, drawing attention to Subject No. 391 of the Dasara Representative Assembly Proceedings of October 1897 and requesting to submit a report regarding the imposition of shop-tax on itinerant traders, I have the honor to state that the imposition of a tax on itinerant traders is no doubt a just measure, but the place where such a tax can be imposed is where the trader has his permanent home. If on the other hand he is taxed in every place where he proceeds to have his goods sold, he will be harassed with a dozen taxes in an equal number of places. This principle is borne in mind in dealing with cases of this kind.

(3) Letter No. 403, dated 1st March 1899, from the Deputy Commissioner, Kadur District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to Government official memorandum No. 2094-2101—R. 862, dated 12th September 1898, drawing attention to Subject No. 391 of the Dasara Representative Assembly Proceedings of 1897, and calling for a report *re* the imposition of shop-tax on itinerant traders, I have the honor to forward herewith copies of reports received from the Assistant Commissioners Messrs. Sreenivasiengar and Ramaswamiengar.

I concur in the opinion expressed by both that itinerant traders who carry their goods from place to place, and trade in each place for a short time, by opening temporary shops, should not be made to pay shop-tax at every place of sale. It would be sufficient if itinerant traders were called upon to state where their established or principal, shops were, and taxed on these once for all, each year, as is done in working the Income Tax in British India.

At present each and every established or branch shop of these itinerant traders is taxed and during the Jamabandi of the Mudgere Taluk, I received petition complaining of imposition of shop-tax simultaneously in the different places where traders have opened branch shops.

(4) Letter No. 808, dated 15th March 1899, from the Deputy Commissioner, Mysore District, to the Secretary to the Government of Mysore, General and Revenue Departments.

Adverting to your official memorandum No. 2094-2101—R. 862, dated 12th September 1898, calling for my views in regard to Subject No. 391 (Imposition of shop-tax on itinerant traders) of the Dasara Representative Assembly Proceedings of October 1897, I have the honor to state that itinerant traders referring chiefly to those dealing in piece-goods may be considered as falling under two classes.

The first class consists of persons who have set up regular shops in their own villages or towns paying a tax for the same and who also go or send out their men with goods to be exposed for sale in other villages or towns and at important santes or jatras. In the case of this class of persons whose trade is duly registered by the shanbhogs in villages and by the Municipalities in towns as the case may be, the imposition of a separate tax on them as itinerant traders seems uncalled for as the tax they have to pay on the shops held by them is capable of modification according to the extent of the trade carried on by them in and outside the same. They may however be required by the authorities at the places where they itinerate to produce their pattas in proof of their having already been brought under taxation.

The second class consists of persons who, having no regular shops in any place, itinerate hawking about their goods from house to house in various villages and towns and who also sometimes set up temporary shops here and there as well as in santes and jatras for short periods as may be found necessary with reference to the demand existing for the goods they have on hand. This class of traders is no doubt justly liable to be taxed, but the regulation of the rate of tax and the recovery thereof at the several places through which they pass will be attended with serious inconvenience and difficulties leading to much abuse on the part of petty officials and great annoyance to the taxed. With a view to minimize the difficulties and consequent evils as far as possible I would beg to suggest that if the traders are residents of

the Mysore State, they be taxed in their own villages or towns for the trade wherever it may be carried on by them, but if they happen to be outsiders, a tax assessed with reference to the extent of the trade carried on by them be levied from them for a whole year at the first place they are found trading and they be furnished with a putta which will exempt them from further molestation till the close of the official year.

(5) Letter No. 604, dated 8th April 1899, from the Deputy Commissioner, Tumkur District, to the Secretary to the Government of Mysore, General and Revenue Departments.

Adverting to your docket No. 2094-2101—R. 862 of the 12th September 1898, regarding the imposition of shop-tax on itinerant traders, I have the honor to state that in this district, all itinerant traders are charged with tax according to the extent of their trade, in accordance with the scale prescribed for shop-tax (*vide* page 119 of the Revenue Manual, 1886), and such tax is brought to book in the accounts of the village in which the trader has a dwelling house. At certain jatras, the trader has to pay a ground rent in addition for the space on which he sets up his shop. The proceeds of such rent are invariably credited to the Muzrai institution concerned.

Hawkers of goods, having no fixed place of abode, are practically exempted from tax.

It is but fair that itinerant traders should pay the same rate of tax as the shop-keepers.

(6) Letter No. 776—615, dated 20th April 1899, from the Deputy Commissioner, Shimoga District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to Government official memorandum No. 2094-2101—R. 862, dated 12th September 1898, calling for a report on Subject No. 391 of the Dasara Representative Assembly Proceedings of October 1897, regarding the imposition of shop-tax on itinerant traders, I have the honor to state that the practice at present is to tax such traders at the place of their residence, wherever they may trade. This is the only fair rule for ordinary cases, and it does not matter much where they are taxed, so long as the revenue is all credited to the same account. Where a Municipality and Government have competing claims, there is some difficulty, but it may fairly be held that in the long run, the claims may be held to be set off by counter claims, as residents of Municipalities, may be held to trade outside, as often as outsiders in Municipalities. Moreover, in the case of many articles, Octroi is levied by Municipalities and this amounts to a trade tax. Residents of inam villages and residents of British India on the borders may escape taxation altogether, but I believe the trade of ordinary itinerant hawkers is too small to justify the introduction of a complicated system of taxation for their sake.

In the case of recognised fairs, however, it is allowable to introduce some system of taxation, provided it can be so managed as not to unduly hamper trade or give room to petty exactions. I am considering whether such a plan may not be introduced, *e. g.*, in Aynur where an important weekly fair is held. This may be by levying either a cart or basket fee or a stall fee; but the difficulty is to devise a system where peculation and vexation are non-existent or are minimised as much as possible.

With this qualification, I think that there is no need for any new order on the subject.

(7) Letter No. 622—S., dated 10th March 1900, from the Deputy Commissioner, Hassan District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to Subject No 391 of the Dasara Representative Assembly Proceedings of October 1897, regarding the imposition of shop-tax on itinerant traders, I have the honor to state that the question raised by the member appears to refer probably to the Magadi Municipality.

In accordance with the instructions conveyed in para 3 of Chief Commissioner's Proceedings No. 2627—227, dated 26th October 1877, as observed in Government Proceedings No. 11784-92—L. F. 83-97, dated 19th March 1898, Octroi is leviable only on articles *imported* into towns for consumption therein and goods *manufactured* within a Municipal town though consumed therein are not liable to taxation other than indirectly by way of shop-tax or house tax. When the articles are sold outside the limits of the Municipality by itinerate traders as those that are complained of, they evade payment of any tax whatever, and they may even therefore sell the articles at lower rates than those prevailing within the Municipality. It seems therefore absolutely necessary to lay down a definite ruling in the matter.

The Octroi levied on goods imported into towns must either be passed on to the customer or be borne by the trader himself as a deduction from the profits of the trade. It cannot be passed on to the customer in the town, for the market there is dependent on competition from other quarters. It must therefore be borne by the trader in the Municipality, *i. e.* he must bear it as a deduction from his profits. If this deduction is excessive compared with his trade, he will complain or reduce his operations. If however, no falling-off in trade is causde

and the state of the market owing to competition among the *buyers* yields enough to cover the duty, it would seem that the whole duty would ordinarily in this country be thrown upon the consumers whether they be within or without the Municipality. But the lowness of the rates at which articles are sold by itinerant traders who, possessing no house and shifting from place to place, carry on their business in other's houses or temples evading the payment of any tax whatever on their trade appears to have therefore indirectly affected the trade within the Municipality, and has given rise to the complaint under reference. It seems therefore absolutely necessary to tax such itinerant traders with the caution that it is not pitched at too high a rate as the tax if raised to so small an amount that no one feels it as a burden, the consumers pay it without their knowledge and hence the sellers do not complain. This is the merit of all indirect taxation when it is not levied unnecessarily high. The Octroi is first paid by the trader but eventually falls on the consumer. In this connection it may not be out of place for me to state that in reply to a series of questions raised by the Amildars of taluks in the Ashtagram Division regarding the levy of Mohatarfa and especially when the question raised was whether itinerant traders with a capital of 4 or 5,000 rupees engaged in trade in a certain place for a week or a fortnight were to be charged with the Mohatarfa and if so, whether the same could be collected then and there as they would not stay in those places till the Jamabandi, the late Commissioner of the Division in his circular order of 19th October 1861, directed that a permanent resident of a village if he owns a house or room and lets it on hire (not for a day but regularly) to itinerant traders for carrying on their business, the owner of the house was responsible for the shop-tax leviable on such house or room. For ready reference I submit herewith an extract from the order cited above containing the question raised and the reply thereto.

(8) Letter No. D. 1401, dated 14th March 1901, from the Deputy Commissioner, Bangalore District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to your official memorandum No. 2094-2101—R. 862 of the 12th September 1898, and the marginally noted reminders calling for opinion on the subject of imposing shop-tax on itinerant traders, I beg to state that it may be levied. In some places it is customary to levy tax from them and it is called "Gude Terige."

5657-62—R. 2758 of the 18th February 1899.
6684-7—R. 3129 of the 23rd March 1899.
7711-3—R. 3465 of the 26th April 1899.

No. R. 928-36, DATED BANGALORE, 27TH AUGUST 1902.

ORDER THEREON.—Government agree with the Deputy Commissioners in holding that all itinerant traders should be taxed, the chief reason for the taxation being the protection of the interests of stationary tradesmen, who are liable to pay shop-tax and are accordingly pleased to lay down the following rules on the subject:—

(1) Itinerant traders who are found trading in any place or places should be called upon to state the place of their residence or principal place of trade, and tax put on them in such places.

(2) A certificate should be granted, signed by the patel of the village, or shekdar of the hobli, or a taluk officer, showing that the person has been taxed for itinerant trading and this should be a sufficient protection against further taxation under Mohatarfa Rules.

(3) Persons having their residence outside the State should be taxed in the place they are found trading in and similarly granted a certificate, which should exempt them from further taxation during the year. In this case, the tax should be levied in advance.

(4) The rates shall be the same as for traders carrying on trade on the scale of the kind followed by the itinerant trader.

These rules will be published in the Official Gazette.

Appeal No. 44 of 1901-02.

Appellant	*versus*	Respondent
Devarajiah.		Hussain Ali Sabi.

Subject.

Appeal against the order of the Deputy Commissioner, Kadur District, confirming the sale of Survey No. 50 of Joldhal village, Chikmagalur Taluk, for arrears of revenue.

Facts of the Case.

One Mallegowda fell into arrears of kandayam amounting to Rs. 15-12-8 for the year 1900-01 on his lands in Joldhal village, Chikmagalur Taluk. After the usual preliminaries, the defaulter's Khate lands, Survey Nos. 50 and 72 (coffee) in the said village, were declared forfeited and advertised for sale on 29th July 1901. Two days before the date of sale, a telegram was received by the Amildar from the appellant, who claimed to be mortgagee of Survey No. 50, intimating his payment into the Hassan Taluk Treasury of the amount in arrear. Nevertheless the sale was conducted and Survey No. 50 was knocked down to the respondent for Rs. 162. On the 30th July, the yadi of the Hassan Amildar advising the despatch of a Public Service Remittance Transfer Receipt for Rs. 15-12-8 paid by the appellant on 27th idem was also received. On the 19th August 1901, the Amildar sent up the sale proceedings to the Deputy Commissioner, with a report of the foregoing facts. The Deputy Commissioner observing that the mortgagee had not registered his interest in the Government accounts and that he had not complied with the provisions of para 6 of Rule XXXII of the old Land Revenue Rules, confirmed the sale on 3rd October 1901.

Decision.

Government think that the Amildar might have postponed the sale having received telegraphic intimation of the payment of arrears two days previous to the date of sale. If he was sceptical of the genuineness of the payment intimated by the appellant, he might have at least recommended that the confirmation might be withheld as the formal intimation of payment was received from the Treasury officer on the day following the date of sale.

The sale is cancelled. Sale proceeds will be refunded to the purchaser.

No. 252—P. F. 23-02, DATED BANGALORE, 2ND AUGUST 1902.

Copy of the above is forwarded to the Deputy Commissioner, Kadur District, together with the records received with his letter No. 813, dated 13th May 1902.

Appeal No. 41 of 1901-02.

Appellant Dodnanjappa.

Subject.

Appeal against the order of the Deputy Commissioner, Bangalore District, directing the levy from the appellant of Rs. 130 for a well and the surrounding land on site Municipal No. 2 in Tyamagondlu Town, Nelamangala Taluk.

Facts of the Case.

Municipal site No. 2 in Tyamagondlu Town was relinquished on the 20th December 1894 by one Papi Setti to the appellant. On the appellant proceeding to erect a wall around it, Venkatesha Setti and others of the town complained to the jamabandi officer and, later on, to the Deputy Commissioner that as the well existing in the site was a public well, the appellant should not be allowed to put up a wall around it and obstruct the access of the public thereto. In May 1897, Mr. C. Rajagopalacharlu, Assistant Commissioner, held an enquiry and found that as the accounts of Sidharti and Parabhava (1859-60 and 1867-68) showed the well to have been sunk by Papi Setti for public use, the well and the site around it did not belong to the appellant. He accordingly recommended to the Deputy Commissioner that action should be taken under Section 37 of the Land Revenue Code, to remove the wall. The Deputy Commissioner, (Mr. B. K. Venkatavardiengar) at first thought that no action was necessary, but afterwards inspected the spot and directed the grant of the site and the well in it to the appellant on his paying Rs. 130.

Decision.

Government regret they cannot support the last order of the Deputy Commissioner in this case. The dispute between the parties regarding the boundary wall between Municipal No. 2 on which the well stands and No. 1 on which the temple has been built is one for adjudication by the Civil Courts. The case before Government refers to the alleged obstruction caused by appellant to the public using the well on site No. 2 by his putting up a wall to the west of the site closing access from the bazaar street to the west. Appellant in his deposition recorded before the Government promises not to obstruct and says that he never obstructed access to the well. He agrees further to the removal of the obstruction, if any, and to the surrender of the site and well to Government in case he should in any manner act so as to defeat the object of the charity.

2. On these terms the appellant may be left in possession of the site and well. The order requiring him to pay Rs. 130 for the site and well is set aside.

No. 258—P. F. 24-1902, DATED BANGALORE, 16TH AUGUST 1902.

Appeal Petition No. 1826 of 1889-90.

Appellant—Mr. Syed Ghouse Sha Khadri, Khan Bahadur (since deceased), represented by his nephew Syed Mrtyuja Sha Khadri, by Advocate Mr. B. Sreenivasiengar.

Subject.

Appeal against the order of the Inam Superintendent refusing to recognise the appellant's claim to Survey Nos. 53 and 138 of Nagenhalli village, Chikmagalur Taluk, as Inam forming part of the appellant's Inam village of Suraguppe.

Facts of the Case.

At the coffee settlement of 1881-82, Survey No. 53 of Nagenhalli village (since formed into Survey Nos. 53 and 138) was left undisposed of pending an enquiry into the validity of the appellant's claim to certain lands as Inam. In 1889, the Inam Superintendent decided that the lands belonged to Government, as the lands were not contiguous to the Inam village of Suraguppe and as the appellant had no documentary evidence to substantiate his claim. The appellant having appealed to Government, and represented that these lands which were locally known as Jinnat Nagar had always been in his possession and that there were some tombs and a mosque thereon, the Inam Superintendent was requested by Government in their Decision dated 11th September 1891, to report on these allegations. The report of the Amildar (P. Sreenivasa Rao), who made a local enquiry, makes it clear that the appellant's representations are true.

Decision.

Government have gone over the case carefully and come to the decision that the land in question (Survey Nos. 53 and 138 aggregating 111 acres and 26 guntas) forms part of the Darga Inam. The question of quit-rent to be imposed will be referred to the Superintendent of Inams for settlement according to Rules.

Subject.

Appeal against the settlement of the Inam Superintendent directing the levy of assessment on the excess in their Minor Inams.

Facts of the Case.

The 1st petitioner, Katte Yadava Krishnachar, possesses Minor Inams in the villages of Sringarabogu, Belalagere and Lakshmisagara in Channagiri Taluk, while

the 2nd petitioner possesses a Minor Inam in Sunkadakatte in Honnali Taluk. Under the Rules published in Notification No. 153, dated 12th December 1887, the Inam Superintendent brought 6 acres and 37 guntas in the case of the 1st petitioner and 4 acres and 13 guntas in the case of the 2nd petitioner, under assessment. The petitioners urge that as there was no room for encroachment, the levy of assessment on the excess is not justifiable; but they do not produce any sannads or hadnamas of the kind referred to in Rule XI (A) of the Inam Rules, the 1st petitioner representing that all his papers were lost during a river-flood.

Decision.

The Government do not see any reason to interfere with the settlement made by the Inam Superintendent. The petitions are therefore rejected.

Appeal Petition No. 1059 of 1890-91.

Appellant	*versus*	Respondents
Mr. Syed Ghouse Sha Khadri, Khan Bahadur, represented by his nephew Syed Mrityuja Sha Khadri—by Advocate Mr. B. Srinivasiengar.		1. Mr. G. Britto 2. „ P. Britto 3. „ W. Britto 4. Dr. Sydney Smith.

Subject.

Claim to Survey Nos. 292 to 295 of Menasinagundi Estate, Chikmagalur Ta as forming part of Dattatripita Darga inam lands.

Facts of the Case.

1. In their Order No. 710-11—R. 7, dated 28th April 1884, the Government, while observing that the claim of the appellant as manager of the Darga to hold as inam, the lands included in the new village of Dattatripita in Chikmagalur Taluk, was weak and unsupported by the Jari or other accounts, decided to confirm the lands in the enjoyment of the Darga as inam on ¼th quit-rent, in view of the antiquity and importance of the institution, and directed the introduction of a permanent settlement of the lands under the Coffee Rules.

2. In proceeding to carry out the above order, the Deputy Commissioner, Kadur District, found that the Bisagni Matt and Mr. B. A. Britto severally claimed certain lands in the Dattatripita village, the one on the ground of long possession, and the other under a decree in Original Suit No. 1 of 1879 on the file of the District Judge of Nagar Division, and that there was also a large extent of ain kharab and unoccupied assessed lands. In his order dated 31st December 1888, the Deputy Commissioner (Colonel J. A. Campbell) decided that the lands Survey Nos. 292, 293, 294 and 295, which Mr. B. A. Britto claimed to hold under the decree, did not belong to the Darga on the ground that he had exercised without dispute rights of ownership over the lands in question since 1879, and that, according to the evidence of witnesses friendly to the Darga or inimical to Mr. B. A. Britto, the lands in question formed part of the lands described in the decree in Original Suit No. 1 of 1879. The Deputy Commissioner also allowed the claim of the Matt to the lands claimed by it, and further decided that the Darga was not entitled to hold any portion of Dattatripita Part II as inam.

3. Against the above order the appellant appealed to Government, and in their decision, dated 5th October 1901, the Government disposed of the claims of the Darga to ain kharab and assessed unoccupied lands and to the lands adjudged by the Deputy Commissioner to belong to the Matt. In regard to the points still undisposed of, the appellant contends that the Deputy Commissioner had no jurisdiction to enquire into the complaints of Mr. B. A. Britto and that it is immaterial to whom he pays the assessment, to the Darga or to the Government.

4. The first three respondents are the sons of Mr. B. A. Britto (now deceased), and the fourth respondent is the mortgagee of Survey Nos. 292 and 293.

Decision.

The Government have given the case every consideration and find no reason to dissent from the finding of the Deputy Commissioner, that the lands in question do not belong to the Darga represented by the appellant.

RECEIPTS.

2. *I Octroi.*—The estimates noted below, which are not supported by the actua of 1900-01, and the probable collections of 1901-02, will be modified as specifie against each with the observation that estimates under this head should chiefly t based on the average collections of the two years and not on the estimate for th latter year as has been now done. The estimated revenue from certain article under this head is, however, small and may be given up, if by prevention of smugg ing as far as practicable, the income therefrom does not show tendency t improve :—

Municipality.	Items.	Actuals of 1900-01.	Probables of 1901-02.	Total of two years.	Average.	Amount propos-ed.	Amoun sanctior ed.
Harihar	Cocoanuts, fresh	70	42	112	56	100	60
	Betel-leaves	112	87	199	99	150	100
	Sugar	6	6	12	6	10	6
	Jaggory	68	62	130	65	100	65
	Tobacco	124	107	231	115	150	115
Holalkere	Cloth	472	442	914	457	500	460
Hosdurga	Do	66	38	104	52	100	55
Jagalur	Do	428	436	864	432	500	430
Molakalmuru	Betel-leaves	222	243	465	232	280	230
	Cloth	207	165	372	186	200	190

It is noted that no estimates have been entered under cocoanuts, betel-leaves jaggory and tobacco in the Hosdurga Municipality as the levy of tax on these article was ordered in Government Proceedings No. 15304-5—L. F. 40-98, dated 22nd March 1902, to be held in abeyance.

3. *II and VII House and Mohatarfa Taxes.*—The decrease under these heads a compared with the sanctioned estimates for 1901-02, in the budget of Davangere an under Mohatarfa shop tax in Harihar, is due to there being no arrears to be collecte during the year, while the increase under "House tax" in Molakalmuru is due to th revision of the tax in the town. No explanation is, however, forthcoming for th increase under House and Shop taxes in Naikanhatti and Devasamudra or for th decrease of Shop tax in Hosdurga and Hiriyur or even for the new estimate unde Oil-mill tax in Hiriyur. The omission should be supplied. Pending information the estimates will stand.

4. *VI Tolls.*—The proposed estimate under this head represents the incom expected from "Tolls" in Davangere as sanctioned in Government Proceedings No. 13278-9—L. F. 40-01, dated 12th February 1902. The estimate is allowed t stand.

EXPENDITURE.

5. *I Interest on Debt and XI Miscellaneous (a) Repayments of Loans.*—The pro visions made under these heads in the budgets of Chitaldrug, Davangere, Hiriyu and Holalkere will be retained, pending the receipt from the Comptroller of a state ment showing the sums payable by these and other Municipalities on account o interest and principal towards the repayment of loans advanced by Government.

6. *III Collection (a) Octroi.*—The President in his letter No. 1009, dated 12th June 1902, proposes to rent a building at Rs. 7 per mensem for storing such of the bales of piece-goods as are left in the possession of the Municipal authorities at Davangere before breaking bulk and requests sanction to the same, the sum of Rs. 50 provided under "Miscellaneous for unforeseen expenses" being raised to Rs. 84 to meet the cost. The proposed renting of a building at Davangere and the enhance-ment of the budget allotment by Rs. 54 are approved, but the item (Rs. 84) will be

shown under this head, the sum of Rs. 30 shown under "unforeseen" expenses being struck out. As no provisions have been made in the budgets of Holalkere, Hosdurga, Jagalur and Molakalmuru, it should be explained by whom the collection work is being managed in these Municipalities and whether no change in the collection agency is necessary for the development of Octroi revenue. Pending information, the provisions made in the other budgets will be passed.

7. *Conservancy.*—The principal items of variations proposed under this head are given below :—

Municipality.	Items	Increase			Decrease		
		No.	Rate	Amount	No.	Rate	Amount
			Rs.	Rs.		Rs.	Rs.
Harihar	Scavenger	0	0	0	1	8	96
Devasmudra	Do	1	6	72	0	0	0
Challakere	Peon	1	6	72	1	5	60
Jagalur	Do	1	6	72	1	5	60
	Sweeper	5	5	300	5	4½	270
	Do	4	3½	168	4	3	144
	Mutsaddi	1	10	120	1	7	84
	Conservancy carts ...	0	0	100	0	0	150
Turuvanur	Purchase of carts ...	0	0	50	0	0	0
Naikanhatti	Feeding charges of bullocks	0	0	120	0	0	0
	Purchase and repair of carts	0	0	60	0	0	50

It is not explained why the number of scavengers in Harihar is proposed to be reduced from 3 to 2 and increased rates of salaries are considered necessary to the mutsaddi and his peon and also to the sweepers at Jagalur. The omission should be supplied and a report submitted as to whether it would not be more advantageous to the Municipalities to hire conservancy carts in Turuvanur and Naikanhatti instead of purchasing a cart in the former and purchasing carts and feeding bullocks in the latter at a cost of Rs. 50 and Rs. 120 respectively. Pending information, the provisions will however be allowed to stand tentatively.

8. *VII Lighting.*—The particulars as to the number of lamps existing in the towns of Jagalur and Molakalmuru where lighting is managed departmentally as also the number of lanterns to be purchased and repaired in Naikanhatti have not been furnished. The omission should be supplied. Pending information, the provisions will be retained.

9. *VIII Public Works.*—Including Rs. 100 provided under "XI Miscellaneous (c) Cattle-pounds" in the budget of Naikanhatti for the construction of cattle-pound which should properly appear under this head and the supervision charges therefor at 10 per cent, the total provision under this head comes to Rs. 18,810 which will be passed, subject to the submission of estimates for works costing Rs. 500 and upwards.

10. *Charitable Grants.*—The provisions made under this head on account of contributions towards the cost of repairs of dispensary buildings will be retained with the observation that the necessity for the same should have been explained, as no corresponding provisions have been made in the District Fund budget of the Chitaldrug Circle for 1902-03.

11. *XI Miscellaneous (c) Cattle-pounds.*—The provision of Rs. 100 made in the budget of Naikanhatti for the construction of a cattle-pound in the town will be transferred to "VIII Public Works (*h*) Buildings, Original," corresponding reduction being made under this head.

12. *XI Miscellaneous other items.*—For reasons given in para 6 *supra*, the sum of Rs. 30 provided for unforeseen expenses will be struck out, corresponding reduction being made under this head.

13. The other items call for no remarks and are passed.

14. The budget estimates of receipts and expenditure of the several Municipalities in the district for 1902-03 are sanctioned as shown below. The usual particulars are appended :—

15. The closing balances in the marginally noted Municipalities are less than the prescribed minimum. Letter No. 244, dated 2nd October 1901, from the President of the Municipal Boards, Kadur District, requesting sanction to include "transfer of Municipal taxes" in the term "for *bona fide* public purposes" as defined in Article 143 of the Civil Account Code, relating to the Civil Department.

READ—

Letter No. 5734, dated 6th March 1902, from the Comptroller stating, with reference to Proceedings No. 13663-4—L. F. 234-92, dated 20th February 1902, that he issued a circular to all Deputy Commissioners on 10th September 1901, pointing out that for land revenue and Excise revenue, the Land Revenue Code and the Excise Rules provided for payments being made in one treasury to be credited in another treasury, while there was no such provision for Municipalities, and directing that the issue of P. S. R. T. R. for the remittance of such taxes should be discontinued.

No. 2757-66—L. F. 234-92, DATED BANGALORE, 26TH AUGUST 1902.

ORDER THEREON.—It is observed that even land-holders have not the privilege of paying revenue to other than the patel, except with the special permission of the Deputy Commissioner. Such being the case, the grant of Public Service Remittance Transfer Receipt in the case of Municipal taxes is objectionable, and the existing practice in Kadur should therefore be stopped.

No. R. 639-79—R. F. 16-1900, DATED BANGALORE, 1ST AUGUST 1902.

ORDER THEREON.—The Superintendent, Mysore Revenue Survey, in his letter read above, brought to the notice of Government that the boundaries of the newly constituted Hosdurga Taluk were irregular and inconvenient and suggested the following transfers of villages from and to the new taluk :—

(1) From the Holalkere to the Hosdurga Taluk—

1. Hebballi.
2. Herur.
3. Kambargatta.
4. Bailahalli.
5. Dodgatta.
6. Mallapura.
7. Bansihalli.
8. Tanigekallu.
9. Ailapura.

(2) From Chiknayakanhalli to the Hosdurga Taluk—

1. Guruvapur.
2. Kainadu-Horkaval.
3. Harenahalli.
4. Hullenahalli.
5. Kadavagere.
6. Sadarhalli.
7. Vengalapura.
8. Kenchapura.

(3) From the Hosdurga to the Chiknayakanhalli Taluk—

1. Halmaledevar Kaval.

2. The Deputy Commissioner of Chitaldrug states that the villages of—

1. Hebballi
2. Herur
3. Kumbarghatta, and
4. Ailapura,

which form one shanbhog's charge, may at once be transferred and that the transfer of the other five villages of the Holalkere Taluk would involve the breaking up of the charge of a shanbhog. As regards the villages of the Chiknayakanhalli Taluk proposed to be transferred to Hosdurga, the Deputy Commissioner of Tumkur reports that there would be some difficulty in the case of the village of Kadavagere, which with Yelanadu forms one shanbhog's charge. In other respects, the Deputy Commissioners agree with the Superintendent of Revenue Survey.

3. Upon further consideration, the Superintendent of Revenue Survey states that the five villages of Bailahalli, Dodgatta, Mallapura, Bansihalli and Tanigekallu may be left in the Holalkere Taluk and that the village of Kadavagere in the Chiknayakanhalli Taluk may, as proposed by the Deputy Commissioner, be constituted a separate shanbhog's charge.

With a view to give the new Taluk of Hosdurga a convenient boundary, the suggestions of the Superintendent, Revenue Survey, as finally made in his D. O. letter read above are approved and the following notification will issue directing the transfers of the villages.

Letter No. C. 2193, dated 10th May 1902, from the Deputy Commissioner, Kolar District.

No. R. 854-6, DATED BANGALORE, 16TH AUGUST 1902.

ORDER THEREON.—The inam lands described in the margin in the Chandur and Hosayerrahalli villages of the Gudibanda Sub-Taluk, were granted to one Addanna for the service of measuring grain received for Government when the Batayi system was in force. During the Inam Settlement, the former jodi was fixed as Rs. 3-8-0 on Survey No. 46 of Chandur, and Survey No. 2 of Hosayerrahalli was confirmed free. The inam is unenfranchised.

		Assessment. A.	g.	Rs.	a.	p.
Chandur ...	Survey No. 46 (wet)	1	35	13	0	0
Hosayerrahalli ...	Survey No. 2 (dry)	2	23	1	12	0

The Inamdar had three sons (1) Adimurti, (2) Adinarnappa and (3) Chinna Appaiya, of whom the first is not alive.

The first two sons mortgaged Survey No. 46 of Chandur for Rs. 60 to one Lakshmana Rao, who finally purchased * the land under a Civil Court † decree. Ever since, he has been in enjoyment of the said land and paying the quit-rent of Rs. 3-8-0.

* Execution Case No. 1130 of 1897-98 on the file of the Chikballapur Munsiff's Court.
† Being Service Inam, the land should not have been allowed to be sold like this.

Survey No. 2 of Hosayerrahalli was similarly sold in satisfaction of a Civil Court decree in October 1898 for Rs. 10 to shroff Nanjundaiya of Bagepalli, who is now in possession of the said land paying nothing to Government.

Chinna Appaiya, the third son of the Inamdar, represents that Survey No. 2 of Hosayerrahalli was attached and sold without his knowledge and that the said land should be given back to him, as such inam lands are not liable to encumbrances.

The Sub-Division Officer is of opinion that, as the services for which the inam was granted are not required by Government owing to the abolition of the Batayi system, the lands need not be continued as inam; and the Deputy Commissioner solicits sanction to their being fully assessed.

Under the principle laid down in para 4 of Government Order No. 8828-9—R. F. 216-92, dated 16th December 1892, the inam lands in question need no special protection from alienation like inams granted to village officers. The request of Chinna Appaiya is groundless.

The lands will, as proposed by the Deputy Commissioner, be subjected to the payment of full assessment. The Deputy Commissioner is also requested to recover the amount of assessment that falls due for the years during the purchasers have been in possession of them.

READ THE FOLLOWING LETTERS —

(1) Letter No. 1310—366, dated 24th September 1898, from the Deputy Commissioner, Kolar District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to your official memorandum No. 2094-2101—R. 862, dated the 12th September 1898, calling for opinion about levying the Mohatarfa trade tax from the itinerant traders, I beg to state that, as they have no shop for carrying on their business, the tax has to be levied from each individual whenever and wherever he may be found carrying on trade unless he produces a receipt for having paid the tax for the year in any place in the Province.

(2) Letter No. 569—545, dated 18th January 1899, from the Deputy Commissioner, Chitaldrug, District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to your official memorandum No. 2094-2101—R. 862, dated 12th September 1898, drawing attention to Subject No. 391 of the Dasara Representative Assembly Proceedings of October 1897 and requesting to submit a report regarding the imposition of shop-tax on itinerant traders, I have the honor to state that the imposition of a tax on itinerant traders is no doubt a just measure, but the place where such a tax can be imposed is where the trader has his permanent home. If on the other hand he is taxed in every place where he proceeds to have his goods sold, he will be harassed with a dozen taxes in an equal number of places. This principle is borne in mind in dealing with cases of this kind.

(3) Letter No. 403, dated 1st March 1899, from the Deputy Commissioner, Kadur District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to Government official memorandum No. 2094-2101—R. 862, dated 12th September 1898, drawing attention to Subject No. 391 of the Dasara Representative Assembly Proceedings of 1897, and calling for a report *re* the imposition of shop-tax on itinerant traders, I have the honor to forward herewith copies of reports received from the Assistant Commissioners Messrs. Sreenivasiengar and Ramaswamiengar.

I concur in the opinion expressed by both that itinerant traders who carry their goods from place to place, and trade in each place for a short time, by opening temporary shops, should not be made to pay shop-tax at every place of sale. It would be sufficient if itinerant traders were called upon to state where their established or principal, shops were, and taxed on these once for all, each year, as is done in working the Income Tax in British India.

At present each and every established or branch shop of these itinerant traders is taxed and during the Jamabandi of the Mudgere Taluk, I received petition complaining of imposition of shop-tax simultaneously in the different places where traders have opened branch shops.

(4) Letter No. 808, dated 15th March 1899, from the Deputy Commissioner, Mysore District, to the Secretary to the Government of Mysore, General and Revenue Departments.

Adverting to your official memorandum No. 2094-2101—R. 862, dated 12th September 1898, calling for my views in regard to Subject No. 391 (Imposition of shop-tax on itinerant traders) of the Dasara Representative Assembly Proceedings of October 1897, I have the honor to state that itinerant traders referring chiefly to those dealing in piece-goods may be considered as falling under two classes.

The first class consists of persons who have set up regular shops in their own villages or towns paying a tax for the same and who also go or send out their men with goods to be exposed for sale in other villages or towns and at important santes or jatras. In the case of this class of persons whose trade is duly registered by the shanbhogs in villages and by the Municipalities in towns as the case may be, the imposition of a separate tax on them as itinerant traders seems uncalled for as the tax they have to pay on the shops held by them is capable of modification according to the extent of the trade carried on by them in and outside the same. They may however be required by the authorities at the places where they itinerate to produce their pattas in proof of their having already been brought under taxation.

The second class consists of persons who, having no regular shops in any place, itinerate hawking about their goods from house to house in various villages and towns and who also sometimes set up temporary shops here and there as well as in santes and jatras for short periods as may be found necessary with reference to the demand existing for the goods they have on hand. This class of traders is no doubt justly liable to be taxed, but the regulation of the rate of tax and the recovery thereof at the several places through which they pass will be attended with serious inconvenience and difficulties leading to much abuse on the part of petty officials and great annoyance to the taxed. With a view to minimize the difficulties and consequent evils as far as possible I would beg to suggest that if the traders are residents of

the Mysore State, they be taxed in their own villages or towns for the trade wherever it may be carried on by them, but if they happen to be outsiders, a tax assessed with reference to the extent of the trade carried on by them be levied from them for a whole year at the first place they are found trading and they be furnished with a putta which will exempt them from further molestation till the close of the official year.

(5) Letter No. 604, dated 8th April 1899, from the Deputy Commissioner, Tumkur District, to the Secretary to the Government of Mysore, General and Revenue Departments.

Adverting to your docket No. 2094-2101—R. 862 of the 12th September 1898, regarding the imposition of shop-tax on itinerant traders, I have the honor to state that in this district, all itinerant traders are charged with tax according to the extent of their trade, in accordance with the scale prescribed for shop-tax (*vide* page 119 of the Revenue Manual, 1886), and such tax is brought to book in the accounts of the village in which the trader has a dwelling house. At certain jatras, the trader has to pay a ground rent in addition for the space on which he sets up his shop. The proceeds of such rent are invariably credited to the Muzrai institution concerned.

Hawkers of goods, having no fixed place of abode, are practically exempted from tax.

It is but fair that itinerant traders should pay the same rate of tax as the shop-keepers.

(6) Letter No. 776—615, dated 20th April 1899, from the Deputy Commissioner, Shimoga District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to Government official memorandum No. 2094-2101—R. 862, dated 12th September 1898, calling for a report on Subject No. 391 of the Dasara Representative Assembly Proceedings of October 1897, regarding the imposition of shop-tax on itinerant traders, I have the honor to state that the practice at present is to tax such traders at the place of their residence, wherever they may trade. This is the only fair rule for ordinary cases, and it does not matter much where they are taxed, so long as the revenue is all credited to the same account. Where a Municipality and Government have competing claims, there is some difficulty, but it may fairly be held that in the long run, the claims may be held to be set off by counter claims, as residents of Municipalities, may be held to trade outside, as often as outsiders in Municipalities. Moreover, in the case of many articles, Octroi is levied by Municipalities and this amounts to a trade tax. Residents of inam villages and residents of British India on the borders may escape taxation altogether, but I believe the trade of ordinary itinerant hawkers is too small to justify the introduction of a complicated system of taxation for their sake.

In the case of recognised fairs, however, it is allowable to introduce some system of taxation, provided it can be so managed as not to unduly hamper trade or give room to petty exactions. I am considering whether such a plan may not be introduced, *e. g.*, in Aynur where an important weekly fair is held. This may be by levying either a cart or basket fee or a stall fee; but the difficulty is to devise a system where peculation and vexation are non-existent or are minimised as much as possible.

With this qualification, I think that there is no need for any new order on the subject.

(7) Letter No. 622—S., dated 10th March 1900, from the Deputy Commissioner, Hassan District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to Subject No 391 of the Dasara Representative Assembly Proceedings of October 1897, regarding the imposition of shop-tax on itinerant traders, I have the honor to state that the question raised by the member appears to refer probably to the Magadi Municipality.

In accordance with the instructions conveyed in para 3 of Chief Commissioner's Proceedings No. 2627—227, dated 26th October 1877, as observed in Government Proceedings No. 11784-92—L. F. 83-97, dated 19th March 1898, Octroi is leviable only on articles *imported* into towns for consumption therein and goods *manufactured* within a Municipal town though consumed therein are not liable to taxation other than indirectly by way of shop-tax or house tax. When the articles are sold outside the limits of the Municipality by itinerate traders as those that are complained of, they evade payment of any tax whatever, and they may even therefore sell the articles at lower rates than those prevailing within the Municipality. It seems therefore absolutely necessary to lay down a definite ruling in the matter.

The Octroi levied on goods imported into towns must either be passed on to the customer or be borne by the trader himself as a deduction from the profits of the trade. It cannot be passed on to the customer in the town, for the market there is dependent on competition from other quarters. It must therefore be borne by the trader in the Municipality, *i. e.* he must bear it as a deduction from his profits. If this deduction is excessive compared with his trade, he will complain or reduce his operations. If however, no falling-off in trade is causde

and the state of the market owing to competition among the *buyers* yields enough to cover the duty, it would seem that the whole duty would ordinarily in this country be thrown upon the consumers whether they be within or without the Municipality. But the lowness of the rates at which articles are sold by itinerant traders who, possessing no house and shifting from place to place, carry on their business in other's houses or temples evading the payment of any tax whatever on their trade appears to have therefore indirectly affected the trade within the Municipality, and has given rise to the complaint under reference. It seems therefore absolutely necessary to tax such itinerant traders with the caution that it is not pitched at too high a rate as the tax if raised to so small an amount that no one feels it as a burden, the consumers pay it without their knowledge and hence the sellers do not complain. This is the merit of all indirect taxation when it is not levied unnecessarily high. The Octroi is first paid by the trader but eventually falls on the consumer. In this connection it may not be out of place for me to state that in reply to a series of questions raised by the Amildars of taluks in the Ashtagram Division regarding the levy of Mohatarfa and especially when the question raised was whether itinerant traders with a capital of 4 or 5,000 rupees engaged in trade in a certain place for a week or a fortnight were to be charged with the Mohatarfa and if so, whether the same could be collected then and there as they would not stay in those places till the Jamabandi, the late Commissioner of the Division in his circular order of 19th October 1861, directed that a permanent resident of a village if he owns a house or room and lets it on hire (not for a day but regularly) to itinerant traders for carrying on their business, the owner of the house was responsible for the shop-tax leviable on such house or room. For ady reference I submit herewith an extract from the order cited above containing the ques-on raised and the reply thereto.

(8) Letter No. D. 1401, dated 14th March 1901, from the Deputy Commissioner, Bangalore District, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to your official memorandum No. 2094-2101—R. 862 of the 12th September 1898, and the marginally noted reminders calling for opinion on the subject of imposing shop-tax on itinerant traders, I beg to state that it may be levied. In some places it is customary to levy tax from them and it is called "Gude Terige."

7711-3—R. 3465 of the 26th April 1899.

No. R. 928-36, DATED BANGALORE, 27TH AUGUST 1902.

ORDER THEREON.—Government agree with the Deputy Commissioners in holding that all itinerant traders should be taxed, the chief reason for the taxation being the protection of the interests of stationary tradesmen, who are liable to pay shop-tax and are accordingly pleased to lay down the following rules on the subject:—

(1) Itinerant traders who are found trading in any place or places should be called upon to state the place of their residence or principal place of trade, and tax put on them in such places.

(2) A certificate should be granted, signed by the patel of the village, or shekdar of the hobli, or a taluk officer, showing that the person has been taxed for itinerant trading and this should be a sufficient protection against further taxation under Mohatarfa Rules.

(3) Persons having their residence outside the State should be taxed in the place they are found trading in and similarly granted a certificate, which should exempt them from further taxation during the year. In this case, the tax should be levied in advance.

(4) The rates shall be the same as for traders carrying on trade on the scale of the kind followed by the itinerant trader.

These rules will be published in the Official Gazette.

PETITION

Proceedings of the Government of Mysore,

BEFORE THE GOVERNMENT OF MYSORE.

PRESENT :

V. P. MADHAVA RAO, Esq., C.I.E.,

AND

C. SREENIVASIENGAR, Esq.

Appeal No. 44 of 1901-02.

Appellant	*versus*	Respondent
Devarajiah.		Hussain Ali Sabi.

Subject.

Appeal against the order of the Deputy Commissioner, Kadur District, confirming the sale of Survey No. 50 of Joldhal village, Chikmagalur Taluk, for arrears of revenue.

Facts of the Case.

One Mallegowda fell into arrears of kandayam amounting to Rs. 15-12-8 for the year 1900-01 on his lands in Joldhal village, Chikmagalur Taluk. After the usual preliminaries, the defaulter's Khate lands, Survey Nos. 50 and 72 (coffee) in the said village, were declared forfeited and advertised for sale on 29th July 1901. Two days before the date of sale, a telegram was received by the Amildar from the appellant, who claimed to be mortgagee of Survey No. 50, intimating his payment into the Hassan Taluk Treasury of the amount in arrear. Nevertheless the sale was conducted and Survey No. 50 was knocked down to the respondent for Rs. 162. On the 30th July, the yadi of the Hassan Amildar advising the despatch of a Public Service Remittance Transfer Receipt for Rs. 15-12-8 paid by the appellant on 27th idem was also received. On the 19th August 1901, the Amildar sent up the sale proceedings to the Deputy Commissioner, with a report of the foregoing facts. The Deputy Commissioner observing that the mortgagee had not registered his interest in the Government accounts and that he had not complied with the provisions of para 6 of Rule XXXII of the old Land Revenue Rules, confirmed the sale on 3rd October 1901.

Decision.

Government think that the Amildar might have postponed the sale having received telegraphic intimation of the payment of arrears two days previous to the date of sale. If he was sceptical of the genuineness of the payment intimated by the appellant, he might have at least recommended that the confirmation might be withheld as the formal intimation of payment was received from the Treasury officer on the day following the date of sale.

The sale is cancelled. Sale proceeds will be refunded to the purchaser.

Appeal No. 41 of 1901-02.

Appellant Dodnanjappa.

Subject.

Appeal against the order of the Deputy Commissioner, Bangalore District directing the levy from the appellant of Rs. 130 for a well and the surrounding land on site Municipal No. 2 in Tyamagondlu Town, Nelamangala Taluk.

Facts of the Case.

Municipal site No. 2 in Tyamagondlu Town was relinquished on the 20th December 1894 by one Papi Setti to the appellant. On the appellant proceeding to erect a wall around it, Venkatesha Setti and others of the town complained to the jamabandi officer and, later on, to the Deputy Commissioner that as the well existing in the site was a public well, the appellant should not be allowed to put up a wall around it and obstruct the access of the public thereto. In May 1897 Mr. C. Rajagopalacharlu, Assistant Commissioner, held an enquiry and found that as the accounts of Sidharti and Parabhava (1859-60 and 1867-68) showed the well to have been sunk by Papi Setti for public use, the well and the site around it did not belong to the appellant. He accordingly recommended to the Deputy Commissioner that action should be taken under Section 37 of the Land Revenue Code, to remove the wall. The Deputy Commissioner, (Mr. B. K. Venkatavardiengar) at first thought that no action was necessary, but afterwards inspected the spot and directed the grant of the site and the well in it to the appellant on his paying Rs. 130.

Decision.

Government regret they cannot support the last order of the Deputy Commissioner in this case. The dispute between the parties regarding the boundary wall between Municipal No. 2 on which the well stands and No. 1 on which the temple has been built is one for adjudication by the Civil Courts. The case before Government refers to the alleged obstruction caused by appellant to the public using the well on site No. 2 by his putting up a wall to the west of the site closing access from the bazaar street to the west. Appellant in his deposition recorded before the Government promises not to obstruct and says that he never obstructed access to the well. He agrees further to the removal of the obstruction, if any, and to the surrender of the site and well to Government in case he should in any manner act so as to defeat the object of the charity.

2. On these terms the appellant may be left in possession of the site and well. The order requiring him to pay Rs. 130 for the site and well is set aside.

No. 258—P. F. 24-1902, DATED BANGALORE, 16TH AUGUST 1902.

Copy of the above is forwarded to the Deputy Commissioner, Bangalore District, together with a copy of the appellant's deposition dated 18th July 1902 before Government and with the records received with his letter No. D. 1073, dated 21st March 1902.

Appeal Petition No. 1826 of 1889-90.

Appellant—Mr. Syed Ghouse Sha Khadri, Khan Bahadur (since deceased), represented by his nephew Syed Mrtyuja Sha Khadri, by Advocate Mr. B. Sreenivasiengar.

Subject.

Appeal against the order of the Inam Superintendent refusing to recognise the appellant's claim to Survey Nos. 53 and 138 of Nagenhalli village, Chikmagalur Taluk, as Inam forming part of the appellant's Inam village of Suraguppe.

Facts of the Case.

At the coffee settlement of 1881-82, Survey No. 53 of Nagenhalli village (since formed into Survey Nos. 53 and 138) was left undisposed of pending an enquiry into the validity of the appellant's claim to certain lands as Inam. In 1889, the Inam Superintendent decided that the lands belonged to Government, as the lands were not contiguous to the Inam village of Suraguppe and as the appellant had no documentary evidence to substantiate his claim. The appellant having appealed to Government, and represented that these lands which were locally known as Jinnat Nagar had always been in his possession and that there were some tombs and a mosque thereon, the Inam Superintendent was requested by Government in their Decision dated 11th September 1891, to report on these allegations. The report of the Amildar (P. Sreenivasa Rao), who made a local enquiry, makes it clear that the appellant's representations are true.

Decision.

Government have gone over the case carefully and come to the decision that the land in question (Survey Nos. 53 and 138 aggregating 111 acres and 26 guntas) forms part of the Darga Inam. The question of quit-rent to be imposed will be referred to the Superintendent of Inams for settlement according to Rules.

Petition No. 2821, dated 5th February 1895, and other petitions from Katte Yadava Krishnachar of Shimoga and Jayatirthachar of Harnahalli.

Subject.

Appeal against the settlement of the Inam Superintendent directing the levy of assessment on the excess in their Minor Inams.

Facts of the Case.

The 1st petitioner, Katte Yadava Krishnachar, possesses Minor Inams in the villages of Sringarabogu, Belalagere and Lakshmisagara in Channagiri Taluk, while

the 2nd petitioner possesses a Minor Inam in Sunkadakatte in Honnali Taluk. Under the Rules published in Notification No. 153, dated 12th December 1887, the Inam Superintendent brought 6 acres and 37 guntas in the case of the 1st petitioner and 4 acres and 13 guntas in the case of the 2nd petitioner, under assessment. The petitioners urge that as there was no room for encroachment, the levy of assessment on the excess is not justifiable; but they do not produce any sannads or hadnamas of the kind referred to in Rule XI (A) of the Inam Rules, the 1st petitioner representing that all his papers were lost during a river-flood.

Decision.

The Government do not see any reason to interfere with the settlement made by the Inam Superintendent. The petitions are therefore rejected.

Appellant	*versus*	Respondents
Mr. Syed Ghouse Sha Khadri, Khan Bahadur, represented by his nephew Syed Mrityuja Sha Khadri—by Advocate Mr. B. Srinivasiengar.		1. Mr. G. Britto 2. „ P. Britto 3. „ W. Britto 4. Dr. Sydney Smith.

Subject.

Claim to Survey Nos. 292 to 295 of Menasinagundi Estate, Chikmagalur Taluk, as forming part of Dattatripita Darga inam lands.

Facts of the Case.

1. In their Order No. 710-11—R. 7, dated 28th April 1884, the Government, while observing that the claim of the appellant as manager of the Darga to hold as inam, the lands included in the new village of Dattatripita in Chikmagalur Taluk, was weak and unsupported by the Jari or other accounts, decided to confirm the lands in the enjoyment of the Darga as inam on ¼th quit-rent, in view of the antiquity and importance of the institution, and directed the introduction of a permanent settlement of the lands under the Coffee Rules.

2. In proceeding to carry out the above order, the Deputy Commissioner, Kadur District, found that the Bisagni Matt and Mr. B. A. Britto severally claimed certain lands in the Dattatripita village, the one on the ground of long possession, and the other under a decree in Original Suit No. 1 of 1879 on the file of the District Judge of Nagar Division, and that there was also a large extent of ain kharab and unoccupied assessed lands. In his order dated 31st December 1888, the Deputy Commissioner (Colonel J. A. Campbell) decided that the lands Survey Nos. 292, 293, 294 and 295, which Mr. B. A. Britto claimed to hold under the decree, did not belong to the Darga on the ground that he had exercised without dispute rights of ownership over the lands in question since 1879, and that, according to the evidence of witnesses friendly to the Darga or inimical to Mr. B. A. Britto, the lands in question formed part of the lands described in the decree in Original Suit No. 1 of 1879. The Deputy Commissioner also allowed the claim of the Matt to the lands claimed by it, and further decided that the Darga was not entitled to hold any portion of Dattatripita Part II as inam.

3. Against the above order the appellant appealed to Government, and in their decision, dated 5th October 1901, the Government disposed of the claims of the Darga to ain kharab and assessed unoccupied lands and to the lands adjudged by the Deputy Commissioner to belong to the Matt. In regard to the points still undisposed of, the appellant contends that the Deputy Commissioner had no jurisdiction to enquire into the complaints of Mr. B. A. Britto and that it is immaterial to whom he pays the assessment, to the Darga or to the Government.

4. The first three respondents are the sons of Mr. B. A. Britto (now deceased), and the fourth respondent is the mortgagee of Survey Nos. 292 and 293.

Decision.

The Government have given the case every consideration and find no reason to dissent from the finding of the Deputy Commissioner, that the lands in question do not belong to the Darga represented by the appellant.
